SPORT-ON
impossible is nothing

The XCR is great for most terrains meaning forest trails, muddy or sandy roads are now accessible. Change the off road tyres to road tyres and the XCR can now be successfully used to compete in marathons and competitions.

The XCR will also be available with it's own trailer great for carrying an expedition pack, tent, equipment for fishing and your wheelchair in fact everything you might need to spend some quality time off the beaten track.

STANDARD FEATURES:

Wheels: 26"

Tyres: Continental Race King

Brakes: Shimano Hydraulic Disc

Crankset: 3 speed

Derailleur: Shimano

Front transmission: Alfine 8 speed geared hub

Seat: Dirtproof, waterproof material
