The Power of Purpose

Awaken your deepest intentions and live the life you envision

Powerful experiential course

Do you want to have direction and purpose in 2017?

- Would you like to create a vision of what your life could look like in 2017?
- Do you want to turn your New Year's resolutions into reality this time round?
- Are you tired of limiting your perception of how things could be and settling for less than you are worth?
- Are you longing to simplify your life and choose what to do with your time?

If you have answered **YES!** to any of these questions you are in the right place

Starting Tuesday 7 February 2017 at 18:30
