BUILDING A COLLEGE LIST

“Reach schools” are those where your academic credentials fall below the school’s range for the freshman class.

“Match schools” are schools where your academic credentials fall within or perhaps slightly exceed the school’s range for the freshman class.

“Safety schools” are schools you will almost definitely get into because your academic credentials are much better than the typical range for their freshman class.

REACH SCHOOLS

Apply to 1 or 2

MATCH SCHOOLS

Apply to 2 or 3

SAFETY SCHOOLS

Apply to at least 1

Points to Consider

- Check Admissions Requirements
- Most colleges only consider academic classes when calculating GPAs.
- Colleges want students who show an interest in their school.

2-Year Colleges and Technical Colleges

- See if the SAT/ACT is required- may take the ASSET/COMPASS Exam instead- check with each individual school
- Two-year school requirements - 2.0 GPA, 2 Foreign Languages plus all Georgia graduation requirements

Military/Armed Forces

- High School Diploma is required
- Take the ASVAB at Walton (October 19th)
- Request your final transcript in May

Naviance

- Naviance is a **delivery system** and college/career search engine.
- A student's account in Naviance is referred to as the *Family Connection* account.
- The student can access Family Connection in Naviance on the Counseling website.

Login to Naviance

Understanding Application Types

- **Early Decision (I & II) : Binding**
 - Cannot apply early to other colleges, can apply regular decision
- **Early Action: Non-Binding**
 - Can apply early to other colleges, can apply regular decision
- **Single Choice/Restricted Early Action: Non-Binding**
 - Cannot apply early to other colleges, can apply regular decision
- **Rolling Admission**
 - Open admission, no specific deadline
- **Regular Decision**
 - Deadline date established by the institution
- **Priority Deadline**

Step-by-Step Process

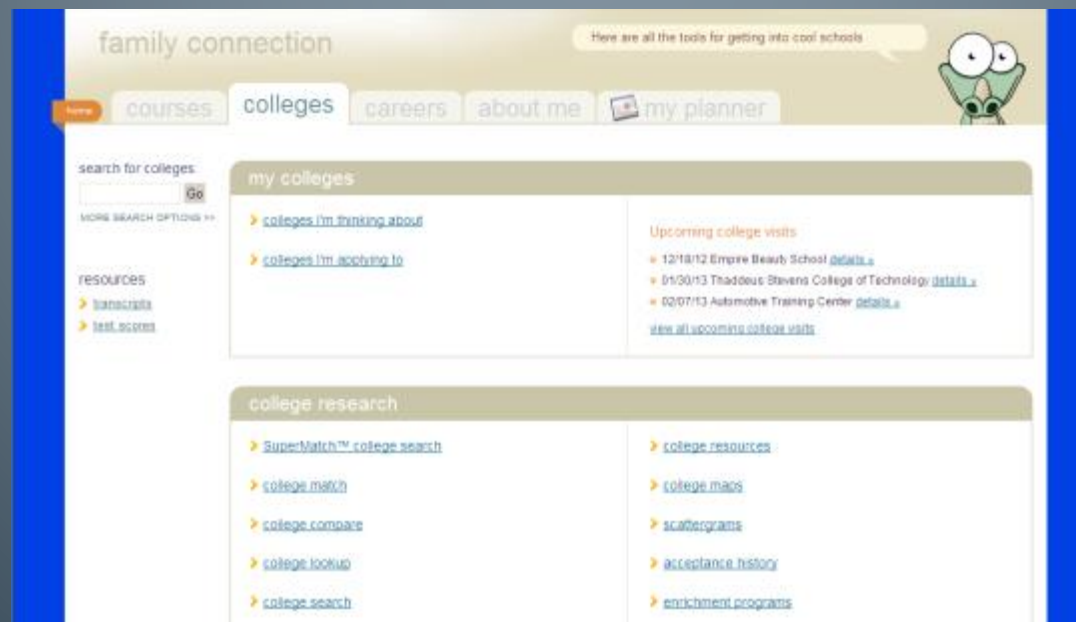

1. Select what colleges you're applying to
2. Determine application types: Common App, Coalition, Direct to Institution
3. Submit your college applications – your “package”
4. Send your test scores via Collegeboard/ACT
5. Use Naviance – our “delivery” system
6. Invite teacher recommenders
7. Request initial transcripts
8. Track your package

Apply to College

- Complete and submit your applications as directed by the college.
- Take your time completing your application and essays – this is a very important step!

Add College to the “Colleges I’m Applying to”

- This is the section where students will spend most of their time.
- You can request letters of recommendation and transcripts within in this section.
- You must also designate the application type within this section as well as indicate that you’ve applied to the school.

Submission Types

There are six delivery type icons you will see when sending college application materials for students.

(2,663 Views)

(Mail Only)-This icon represents colleges that only accept documents submitted via mail. The school does not accept documents electronically.

(Electronic)-This icon represents electronic destinations that accept documents electronically via Naviance eDocs

(Common App)-This icon represents Common App destinations that accept documents electronically via Naviance eDocs. It's important to note this icon means the student has explicitly chosen to apply via Common App and indicated "Yes" in **Family Connection > Colleges I'm Applying to**. However, on College tabs (showing the college profile) it indicates the fact that it's a CA college, but not whether the student is applying via CA.

(Unknown)-This icon is displayed when a student adds a Common App college but has not indicated whether or not he or she plans to apply via the Common App Online. This status does not prohibit you from submitting Common App forms for the student, but you will receive a warning message advising you that the student has not indicated their plan. A message is displayed to inform the school counselor that the student had not made a selection whether applying via Common App and submission would default to Common App delivery.

(Common App via Electronic)-This icon is displayed when a student has selected a Common App college and has indicated that he or she is not applying via the Common App Online. However, if the school is also an electronic destination (in addition to Common App) you can continue to submit documents (NACAC and other school forms, transcripts, and letters of recommendation) electronically.

New

(Common App mail only)-This icon displays when a student has selected a Common App college and has indicated that he or she is not applying via the Common App Online. However, the school is not an electronic destination so you will have to print and mail (other school forms, transcripts and letters of recommendation) to the destination.

Important to tell us how you are applying!

The screenshot shows the 'family connection' website interface. At the top is a blue header with the text 'family connection'. Below it is a navigation bar with tabs: 'home' (highlighted in orange), 'courses', 'colleges', 'careers', 'about me', and 'my planner' (which includes a calendar icon). The main content area is titled 'Tell us how you're submitting these applications' in blue. Below this title is a search bar with the text 'search for colleges:', a text input field, a 'Go' button, and a link 'MORE SEARCH OPTIONS >>'. To the left of the main content is a sidebar with the heading 'my colleges' and a list of links: '> colleges I'm thinking about', '> colleges I'm applying to', and '> college visits'. Below this is the heading 'college research' and a list of links: '> SuperMatch™ college search', '> college match', '> college compare', '> college lookup', and '> college search'. The main content area displays two university entries. The first entry is for 'Adelphi University' with the heading 'I'll submit my application:' and three radio button options: 'via Common App' (selected), 'directly to the institution', and 'I'm not sure yet'. The second entry is for 'Clemson University' with the heading 'I'll submit my application:' and three radio button options: 'via Coalition App', 'directly to the institution', and 'I'm not sure yet' (selected). A note in parentheses follows the selected option: '(Important! If you don't decide before materials must be sent, your materials might not reach the institution on time.)'.

Common App

- The Common App is a free undergraduate college admission application that applicants may use to apply to any of the 500+ member colleges and universities.
- You can access the Common App by going to www.commonapp.org
- Some schools are Common App exclusive, which means they do not accept any application other than the Common App. Some schools accept both the Common App and their own individualized, web-based application.
- We **STRONGLY** encourage you to apply via the Common App even if the college or university offers an alternate application for admission.
- Of course, this does not apply for schools who do not accept the Common App. To view the 500 schools that accept the Common App, check out the members page of the Common App website.

Common App Matching

- For Common App schools, students are required to match their Common App and Family Connection (Naviance) accounts.
- The Common App matching form appears in **the Colleges I'm Applying to** page
- In order to match the Common App account, students must first complete the following steps in their Common App account:
 - Complete the Education section of your Common Application
 - Add at least one college to My Colleges tab
 - Sign the FERPA Release Authorization
- **Video on how to do this is on your family connection homepage.**

Non-Common App Schools

- Some colleges and universities have opted not to accept the Common Application.
- Instead, they have created their own individual applications that, in most cases, are web-based and can be found via the school's undergraduate admissions website.
- Just because a school does not accept the Common App does not mean that they do not accept the transmission of important documents like letters of recommendation and academic transcripts through Naviance.
- When a non-Common App school allows us to submit documents through Naviance, we call it an eDocs school. An eDocs school is designated by the symbol

The Coalition for Access, Affordability, and Success

- “The Coalition for Access, Affordability, and Success was developed to improve the college application process for all students as they search for and apply to their perfect college. The platform provides a single, centralized toolkit for students to organize, build, and refine their applications to numerous institutions.”
- Free online resources/tools are available on their website:
<http://www.coalitionforcollegeaccess.org/>
- Over 90 institutions have joined.
- Only 2 institutions are Coalition exclusive: The University of Florida and The University of Washington
- Students can choose whichever application they feel more comfortable with- no preference given.

Teacher Recommendations

- Allow at least 3-4 weeks for teachers to complete their recommendation portion of your application!
- Students “invite” their teachers to upload and send letters of recommendation in two steps:
 1. Provide teachers with a copy of your recommendation packet with a list of schools to which you are asking the teacher to write.
 2. Add the request digitally under your “Colleges I’m Applying To” tab. This feature will be available on Naviance in early September.
