

# You can change a life this summer!

Sponsor a child to attend South Mountain Christian Camp

## Eve-Liina's Story

As a child, it seemed my world was falling apart. My parents had a lot of difficulties in their marriage, which resulted in us moving away from all my closest friends and extended family members. This decision split the whole family. There was endless fighting, and I felt very alone at that point in my life. Then a kid in the neighborhood started harassing and bullying me. I couldn't understand why all of this was happening. In this time of difficulty, when I had no one else, I found God at South Mountain Christian Camp. Someone sponsored me by providing a camper scholarship. At camp I learned that I will never be alone, and that God will always be a Father and friend to me. In my lowest time, I fell into God's arms. Then I was on the path to strength and healing. Eventually, my parents got back together and we moved so I could escape the toxic environment. Now, when I look back, I remember the pain very clearly, but I would rather have felt that pain than to never get to know God. This summer I will be a cabin director at South Mountain, and I can't wait to share the gospel to these children who may also be going through the same hardship that I faced.
