Game Days bring generations together

We experimented with an after-school Game Day on Thursdays under the Campus Theatre marquee. Our first try brought out all sorts of people from the community to enjoy various board games and puzzles in the unseasonably warm weather. We are hoping to host indoor inter-generational games in the winter.

Updates and Reminders:

Just a reminder that our tech savvy staff are available to help you with any technology questions for a nominal donation of \$10 per hour, or \$15 if we make house calls. Please take this opportunity to build your skills and help us pay for our Internet!

Also, musicians can now fill in their information on line at www.community-zone.org.

Community Sale fundraiser success

Our Community Sale fundraiser has been a great success, earning over \$200.00, which has allowed us to purchase a wireless router and cable Internet access for two months. This should greatly alleviate some of the difficulties we have had in running the Zone and would like to extend our thanks to everyone who participated.

Our website is undergoing a significant update in functionality and layout. Please keep checking for new updates!

Elementary school students from the Donald Heiter Communiy Center in Lewisburg make their best spooky noises for CZ's Americorps volunteer, David. Stop by the CommUnity Zone on Halloween to hear more scary sounds, enjoy refreshments, and see the evil Dr. Spookenstein's latest experiment.

Halloween Happenings at the Zone

Citizens of Lewisburg: Beware! For the first time ever, the evil Dr. Spookenstein has confessed to an experiment gone terribly awry, and is offering to show his specimen to the public. Stop by the CommUnity Zone on Thursday, October 31st between 3:30 and 5:00pm to see and *feel* his latest creation.

Come check out our Halloween display, which was kindly donated by the Lewisburg Area High School. Hear spooky sounds recorded from local children and residents, enjoy some Halloween treats, and learn more about what we do at the Zone. It's going to be spook-tacular!

Lewisburg Neighborhood Corporation

The CZ is looking forward to supporting exciting initiatives being considered by the North Ward Neighborhood project of the Lewisburg Neighborhood Corporation (www.lewisburg-neighborhoods.org). The LNC works to develop and maintain a strong downtown residential community with active participation by residents. Currently, Zone staff hope to be involved with a tool library, free little libraries, and community walks, ideas that mesh with our community building mission.

New Kid on the Block

Meet Morgan Klein, the CommUnity Zone's newest student volunteer! If you see her working at one of our fundraisers or playing games with members of the community on Market Street, don't be afraid to say hi!
