CommUnity Zone and Donald Heiter Center Partner for Youth Winter Talent Show

UPDATE:

Youth Winter Talent Show
Saturday, February 22, 2014
Donald Heiter Center
100 North 5th Street
Lewisburg, PA 17837
7 - 9 pm

In partnership with the Donald Heiter Center, the CommUnity Zone is working with twelve-year-old Sam

Howe in hosting the first Youth Talent Show. If you have a talented child who is between the ages of 9 and 16 and you think they might like to perform, you should know we welcome all talent from singing and dancing, to baton twirling, dramatic reading and everything between. Parental permission will be required. We are also still looking for volunteers who may assist us with refreshments and audio-visual needs.

Looking for 2014 CommUnity Zone Patrons

We would like to announce that the CommUnity Zone is inviting new patrons for the 2014 year and give an honorable mention to our six currently confirmed patrons: Beaver Memorial United Methodist Church of Lewisburg, Charles Sackrey of the Mondragon Bookstore, Nancy Libbey, Cynthia Peltier, Michele Wert, and Farida Zaid. We would also like to mention that we are now accepting general Paypal donations through our website: community-zone.org

Finally, we would like to extend our sincere thanks to our 2013 patrons for seeing us through our first year. This was a year of growth for us, and without your generous support, we would not have been able to establish ourselves as a local institution.

If you are interested in becoming a CommUnity Zone Patron, please feel free to call us at (570)-238-1818 or email us at community.zone.lewisburg@gmail.com.

Local Mucisian Directory Still Growing

We are in the process of compiling a directory of local musicians for folks to pursue when looking for music in Union, Snyder, Lycoming, and Northumberland Counties. If you are a musician, or if you know a talented musician, please visit our website and fill out the available information form. In each of our directory entries, we are looking for not only names and contact information, but also performance schedules and type of music, etc.

Local Musc Collective house jam

We are also interested in linking members in the community with talented musicians available to teach music lessons, so please indicate if you are willing or able to do so.

CZ Welcomes LOVE INC, Newest Partner

Golden Rule LOVE INC is a local non-profit organization, which is operated by volunteers through a network of churches who appoint a Board of Directors. Its primary purpose is to connect volunteers from member churches to individuals in need in their local communities. Currently, over 30 churches are engaged in this worthy effort, and more are needed, particularly in the Mifflinburg area.

For more information on LOVE INC visit their website at www.loveincmilton.org email them at goldenrule-loveinc@gmail.com or call them at 570-742-3561.

Zone Matches Students with Local Non-Profits

We at the CommUnity Zone are excited to be announcing a partnership with Bucknell University Professor William Flack's critical psychology class this semester! We will be coordinating the placement of 14 students who will provide about 40 hours each of service to local non-profit organizations. It is our hope that each student gains valuable experience and insight into the non-profit world before they venture out into the world post Bucknell University. We also welcome the chance to benefit from the unique perspective of psychology majors trained in critical thinking.
