

## Eye of the Driver Lyrics

- For kids and grown-ups alike

Coming up, crossing the street  
Not a time to take my chances  
In the distance  
There's a car I may meet  
Just a kid and his will to survive

So many times it happens too fast  
You trade your patience and step off.  
You're in the street  
And you're starting to cross  
Stop and look so you will stay alive

It's the Eye of the Driver  
'cause you've both got the light  
and they might not be looking  
'cause they're texting  
and it just doesn't matter if they're wrong  
and you're right  
you'll be safe if you're catching the eye  
of the driver

Face to face, out in the street  
now you have to be certain  
that he sees you and he's come to a stop  
you can't go 'til you're totally sure

It's the Eye of the Driver  
'cause you've both got the light  
and they might not be looking  
'cause they're napping  
and it just doesn't matter if they're wrong  
and you're right  
you'll be safe if you're catching the eye  
of the driver

It's the Eye of the Driver  
'cause you've both got the light  
and they might not be looking  
'cause they're eating  
and it just doesn't matter if they're wrong  
and you're right  
you'll be safe if you're catching the eye
