

## Welcome to the 28th Exeter & East Devon Festival of Winter Ales.

Hello and welcome to our 28th Festival of Winter Ales where we have 76 real ales and 14 cider/perries to whet your appetite. For those that are new to our festival, you will find there are 38 ales and cider on the ground floor along with the stage where there will be entertainment : Friday night at 7.30pm, Stompin Dave and Saturday night at 5.30pm The Belfast Busker. On the 1st floor you will find the remaining 38 beers plus various games, product stands and hot and cold food. We also have two additional seating areas on this floor. Access to the 1st floor is via the stairs at the far end of the building or by the entrance lift. Please do not overload the lift! All beers (except No 11 a late substitute) are listed in alphabetical brewery order with a good national selection along with South West beers. You may notice that there are 11 beers that are not "Specialist Winter Only" ales. These are nominations from the South West region for Champion Beer of Britain; although not seasonal they have all reached the final stage of the qualifying process and we can guarantee that these are great beers.

Finally I would just like to say thanks to all those hard working members who have organised this festival, our 3 brewery sponsors, Dartmoor, Exe Valley and Hanlons and finally those breweries that donated prizes for our tombola. Have fun but drink sensibly !
