

# City of Dallas

## Historic Development Program

Your guide to incentives  
for rehabilitating historic buildings

# introduction

Thank you for your interest in preserving the historic and architectural legacy of the City of Dallas. The Historic Development Program was developed to encourage the rehabilitation of historic buildings and the revitalization of neighborhoods throughout the City of Dallas. The program consists of tax abatements, conservation easements, and transfer of development rights. The Department of Development Services administers the Historic Development Program in partnership with the Dallas Landmark Commission, the Dallas Central Appraisal District, and the Dallas County Tax Assessor. The tax abatements apply only to city property taxes; not to other taxes

## contacts

The following information is a summary of the Historic Development Program. For a quick overview of the incentives, see the matrix at the end of this packet, but always consult Article XI of the Dallas Development Code for details and conditions. For detailed information, please consult Article XI of the Dallas Development Code at:

<http://www.dallascityhall.org/dallas/eng/html/codes.html>

or contact a Preservation Planner at:

Department of Development Services  
1500 Marilla 5CN  
Dallas, Texas 75201  
Tele 214/670-4538  
Fax 214/670-0728

Additional information on the tax abatement application is at:

[http://www.dallascityhall.com/dallas/eng/html/historic\\_preservation.html](http://www.dallascityhall.com/dallas/eng/html/historic_preservation.html)

For information about Dallas Central Appraisal District, please call:

Dallas County Appraiser  
2949 N. Stemmons Freeway  
Dallas, Texas 75247  
214/631-1342  
<http://www.dallascad.org/>

For information or questions about City of Dallas taxes, please contact:

Dallas County Tax Office  
500 Elm Street, 1<sup>st</sup> Floor, Records Building  
Dallas, Texas 75202  
214/653-7811

[http://www.dallascounty.org/html/citizen-serv/tax/taxoffice\\_home.html](http://www.dallascounty.org/html/citizen-serv/tax/taxoffice_home.html)

# goals

The Historic Development Program fosters the City of Dallas' vision for redevelopment, revitalization, and preservation of historic buildings. The following are the goals of the program, as well as benchmarks for its success:

1. Revitalize older neighborhoods.
2. Support private sector investment in historic properties.
3. Encourage home ownership.
4. Promote pedestrian oriented, ground floor retail in the urban neighborhood.
5. Support new uses for vacant and deteriorated historic buildings.
6. Encourage low and moderate income families to invest in revitalizing neighborhoods.

# eligibility

To be eligible for the Historic Development Program, your building must be a contributing structure within a city historic district. The type of incentive available depends on how much you invest in rehabilitation and where your property is located.

Qualified expenditures include work that requires a Certificate of Appropriateness or building permit, as well as work such as sheetrocking, carpentry, electrical, plumbing, mechanical, flooring, and installing fixtures such as sinks, bath tubs, and toilets.

Generally, only work done after issuance of the Certificate of Eligibility may be counted (the Landmark Commission may, however, approve work done prior to issuance of the Certificate of Eligibility if the work was done within the last one year and will further the purpose of the program). Abatements cannot be applied for or issued retroactively. All work must be completed within 3 years after issuance of a Certificate of Eligibility (unless extended by the Landmark Commission).

The program is divided into three areas: Urban Neighborhood, Revitalizing Neighborhoods, and City Wide (see the map at the end of this packet). Where your property is located determines the minimum amount of money you must spend to be eligible. This amount of money is a percentage of the Dallas Central Appraisal District's appraised value of the structure.

# urban neighborhood

The urban neighborhood is downtown and its surrounding neighborhoods. The following incentives may be combined, but may not exceed 15 years.

**Large Scale Rehabilitation** – You may be eligible for a 100% abatement on city property taxes for 10 years if expenditures exceed 75% of the building's appraised value. If the property is in a reinvestment zone the abatement will be on the value of the building excluding land.

**Small Scale Rehabilitation** – You may be eligible for an added value abatement on city property taxes for 10 years if expenditures exceed 50% of the building's appraised value. If the property is in a reinvestment zone the abatement will be on the value of the building excluding land.

**Residential Conversion and/or Ground Floor Retail** – You may be eligible for a 100% abatement on city property taxes for 5 years if you convert more than 50% of the building to residential or if you convert more than 65% of the ground floor to retail. The ground-level floor facing the street cannot be used for parking. At least 45% of the building must be occupied after the conversion.

# revitalizing neighborhoods

Revitalizing neighborhoods are historically significant neighborhoods that can utilize incentives to encourage home ownership and neighborhood revitalization and stabilization. These neighborhoods are: Lake Cliff, Winnetka Heights, South Boulevard/Park Row, Tenth Street, Wheatley Place, and Peak's Suburban Addition. The following incentives may be combined but may not exceed 19 years.

**Owner-Occupied Rehabilitation** – You may be eligible for a 100% abatement on city property taxes for 10 years if expenditures exceed 25% of the building's appraised value. The property must be owner-occupied. The abatement may be extended for an additional five years (Exhibit E) if the building has been occupied by the owner for the original 10 year abatement. If the property is in a reinvestment zone the abatement will be on the value of the building excluding land.

**Non-Owner Occupied Rehabilitation** – You may be eligible for an added-value abatement on city property taxes for 10 years if expenditures exceed 50% of the building’s appraised value. If the property is in a reinvestment zone the abatement will be on the value of the building excluding land.

**Maintenance** – You may be eligible for an added-value abatement on city property taxes for 3 years, renewable twice for 9 years total, when owner-occupied and maintenance equals or exceeds 3% of the building’s pre-rehabilitation value (excluding land). Maintenance must be done within 12 months after issuance of the Certificate of Eligibility.

## city wide

Any location outside of the urban neighborhood and the revitalizing neighborhoods is considered city wide.

**Small Scale Rehabilitation** – You may be eligible for an added-value abatement on city property taxes for 10 years if qualified expenditures exceed 50% of the building’s pre-rehabilitation appraised value. If the property is in a reinvestment zone the abatement will be on the value of the building structure excluding land.

## Other development incentives

**Conservation Easements** - You may donate a contributing element of the historic building (such as a façade) to the City of Dallas in order to reduce city property taxes and receive a one-time charitable deduction. Maintenance of the building remains the responsibility of the owner.

**Transfer of Development Rights** – You may transfer a minimum of 20,000 square feet of development rights to another property if the building has been rehabilitated within the past 5 years and that rehabilitation exceeds 50% of the pre-rehabilitation value. Development rights may only be transferred to building sites with CA-1(A) and CA-2(A) zoning. The maximum floor area ratio may be increased by no more than 4.0 through the transfer process.

# application process

The application process consists of three steps:

- Step 1. Application for a Certificate of Eligibility.
- Step 2. Application for a Letter of Verification once rehabilitation is complete.
- Step 3. Annual application to Dallas County Appraisal District for the duration of the abatement.
- Step 4. If eligible (See Exhibit E for details) application for Owner-Occupied Rehabilitation Five-Year Extension

The following forms are attached to this packet:

- Application for Certificate of Eligibility
- Commitment To Repay
- Affidavit regarding taxes, fees, fines, and penalties
- Application for Letter of Verification
- Statement of Completion of Rehabilitation
- Application for Owner-Occupied Rehabilitation Five-Year Extension

## Step I: Certificate of Eligibility

- Your application for a Certificate of Eligibility (attached) must be submitted by the first Thursday of the month to be included on the Landmark Commission's agenda for the following month.
- Applications may be made for properties designated as historic as well as properties pending designation.
- The building must be a contributing (historic) building within the historic district.
- All sections of the application must be filled out, all documentation must be supplied, and the application must be signed and notarized.
- A draft of Commitment to Repay (attached) must be submitted with the application for a Certificate of Eligibility.
- An affidavit regarding taxes, fees, fines, and penalties (attached) must be submitted with the application for a Certificate of Eligibility.
- Abatements greater than \$50,000 must also be approved by the City Council.

## **Step II: Letter of Verification**

- An application for a Letter of Verification (attached) can be submitted only after the required amount of money has been spent and the property has a Certificate of Occupancy. All work must comply with any Certificates of Appropriateness.
- The Statement of Completion of Rehabilitation (attached) must be signed and notarized.
- All property taxes must be current and no city fees, fines, or penalties may be outstanding. The property must comply with all applicable city ordinances and regulations.
- The final Commitment to Repay must be signed by all owners and lienholders of the property. All signatures on the Commitment to Repay must be acknowledged by a notary. Attach a legal description of the property to the Commitment to Repay. Submit the completed Commitment to Repay to a Preservation Planner for City Attorney approval and signature. It must then be filed at Dallas County Records (500 Main Street, across from the Old Red Courthouse) with a file-marked copy returned to the Preservation Planner.

## **Step III: Annual Application**

- The Preservation Planner will provide a Letter of Verification to the Dallas Central Appraisal District on an annual basis, but the property owner must also make an annual application to the Dallas Central Appraisal District.
- If you do not receive an annual application from the Dallas Central Appraisal District by March 1 of the year, please contact them directly at 214/631-1342.
- If the historic property is demolished or destroyed by the willful act or negligence of the owner, any taxes abated will have to be repaid.

#### **Step IV: Application for Owner-Occupied Rehabilitation Five-Year Extension**

- An application for an Owner-Occupied Rehabilitation Five-Year Extension (Exhibit E) can be submitted only after the required abatement period has been approved and must be submitted with one-year of the initial abatement period expiration.
- The Affidavit Regarding Owner-Occupied Rehabilitation Extension (Exhibit E) must be signed and notarized.
- All Historic Development Program applicable requirements must be met.

**IV. STATEMENT OF UNDERSTANDING**

I certify that the above information is correct.

I authorize members of the Landmark Commission and city officials to visit and inspect the property as necessary to certify eligibility and verification for a tax abatement.

I acknowledge that I have read and understand the program regulations, and that I will not receive an abatement until all program requirements have been met and a letter of verification obtained.

I understand that all rehabilitation work must be completed within 3 years after the date of the Certificate of Eligibility (unless extended by the Landmark Commission).

I understand that I must make an annual application to Dallas County Appraisal District in order to receive the abatement.

## EXHIBIT A: Cost Estimates of Interior Work

Interior Work: repair or installation of sheetrock, carpentry, repair of replacement of original floors, mechanical and electrical work, and interior painting

Type of Work: Describe in detail	Amount
Sheetrocking:	
Carpentry:	\$
Flooring:	\$
Mechanical:	\$
Electrical:	\$
Interior Painting:	\$
Heating & Cooling:	\$
Other:	\$
<b>Sub-total of Interior</b>	\$
<b>Total – Exterior and Interior</b>	\$

- c. That, based on the owner continuing to qualify and apply for the abatement, the current appraised value of the historic property as determined by Dallas Central Appraisal District, and the estimated value of the historic property during the abatement, an estimated \$\_\_\_\_\_ in total taxes will not be paid by the owner to the City of Dallas over a \_\_\_\_\_year period because of the abatement.
- d. That the owner has submitted a complete application, and has met all applicable requirements and has qualified for an abatement pursuant to Dallas Development Code, Article XI, Division 51A-11.100, "Historic Development Program," as amended.
- e. That the Landmark Commission has issued a certificate of eligibility designating the historic property as a historically significant site in need of tax relief to encourage its preservation.
- f. That the cost of rehabilitation has exceeded the percentage of pre-rehabilitation value specified in the applicable section of Dallas Development Code Article XI, Division 51A-11.100, "Historic Development Program," as amended.
- g. That the owner has obtained approval of any necessary certificates of appropriateness.
- h. That if the historic property is located in a reinvestment zone (also known as a TIF district) designated under Chapter 311 of the Texas Tax Code, the requirements of Texas Tax Code Section 311.0125 have been met.
- i. That for abatements exceeding \$50,000, the abatement has been reviewed and approved by the Dallas City Council.
- j. That all rehabilitation has been completed and a certificate of occupancy has been obtained for the historic property within three years after the date of the certificate of eligibility (unless extended by the Landmark Commission).

- k. That the owner has obtained a letter of verification.
  - l. That for applications based upon residential conversion or ground-floor retail conversion, (1) the ground-level floor facing the street will not be used for parking, and (2) the requisite percentage of floor area has been occupied, and (3) the requisite percentage of floor area has been changed from nonresidential uses to residential uses or the requisite percentage of floor area has been converted to ground-floor retail.
  - m. That all property taxes and any city fees, fines or penalties are not delinquent on the historic property.
  - n. That all property taxes are current and that no city fees, fines, or penalties are owed on any property owned by any partnership in which the owner is a partner.
  - o. That the historic property complies with all applicable city ordinances and regulations.
  - p. That if there are liens, other than liens for ad valorem taxes, against the historic property, all such lienholders have subscribed below. If there are no lienholder subscriptions below, the owner represents that there are no liens, other than liens for ad valorem taxes, against the historic property.
3. COMMITMENT TO REPAY If the Dallas City Council determines, after giving notice and hearing to the owner, that the contributing structure has been totally or partially destroyed or significantly altered by the willful act or negligence of the owner or his representative in violation of the preservation criteria contained in the historic district ordinance, the abatement will terminate, and the owner shall immediately repay to the City of Dallas all of the tax revenues that were not paid because of the abatement.
4. DURATION This commitment to repay will remain in full force and effect in perpetuity.

5. CITY AUTHORITY This commitment to repay does not restrict the right of the Dallas City Council to exercise its legislative duties and powers.
6. ENFORCEMENT This commitment to repay inures to the benefit of, and is enforceable by, the City of Dallas. The owner does hereby grant to the City of Dallas the right to prosecute or take appropriate action, at law or in equity, against the owner to enforce the covenants and agreements contained in this commitment to repay. If the City of Dallas substantially prevails in a legal proceeding to enforce these covenants and agreements against the owner, the City of Dallas is entitled to recover damages, reasonable attorney's fees, and court costs from the owner. A payment due to the City of Dallas under this commitment to repay is a lien against the historic property.
7. INDEMNIFICATION The owner shall defend, indemnify, and hold harmless the City of Dallas from and against all claims or liabilities arising out of or in connection with this commitment to repay.
8. GOVERNING LAW AND VENUE This commitment to repay is governed by the laws of the State of Texas. Venue for any legal action lies exclusively in the county in which this commitment to repay is recorded.
9. SEVERABILITY The invalidation or unenforceability of a provision in this commitment to repay by a court will in no way affect any other provision, which will remain in full force and effect, and to this end the provisions are declared to be severable.
10. COVENANTS RUNNING WITH THE LAND The covenants and agreements contained in this commitment to repay are covenants and agreements running with the land, are binding upon the owner and its successors in interest, assigns, administrators, beneficiaries, heirs, executors, and other legal representatives, and are binding upon any person, corporation, or other legal entity having or acquiring any right, title or interest in or to any part of the historic property.

11. RECORDATION This commitment to repay must be filed in the Deed Records of Dallas County, Texas, at the sole cost and expense of the owner. After this filing, the owner shall provide the Director of the City of Dallas Department of Development Services with a file -marked copy of the commitment to repay.
