by...

Name ABIM ID NPI #

Dr. Jaime Antonio Salas Rushford

Certification Area	Certification Status	Certification History	Comments
Internal Medicine	Revocation Recommended	Certified 08/20/2009, Revocation Recommended, 12/07/2012	Under Appeal - Revocation is not final

If you do not find your physician or they are listed as not certified, they may be certified by another board of the American Board of Medical Specialties. Please check www.certificationmatters.org. Additionally, information on Allergy and Immunology, Clinical Laboratory Immunology and Diagnostic Laboratory Immunology diplomates can now be found at www.certificationmatters.org

For more details about ABIM Certification, see below:

*ABIM's website serves as **primary source verification**.

**Certification status is updated to this system within 5 days of notification to physicians. Data elements, such as name changes, are updated in ABIM's records within 24 hours of being processed by ABIM.

***All ABIM certifications issued in 1990 (1987 for critical care medicine and 1988 for geriatric medicine) and thereafter are valid for 10 years. Dates of validity are noted on the certificates. To remain valid, these certifications must be renewed through ABIM's Maintenance of Certification program. Certifications issued before these dates are valid indefinitely, although ABIM strongly recommends such certificate holders to renew as well.
