

Musical Program Set for Glendora Woman's Club by Joan Hallidy

GLENDORA---The Glendora Woman's Club's luncheon-meeting set for Tuesday November 4, will feature classical guitarist Michael Ryan and vocalist Hai Muradiab in a musical program.

The clubday will begin at 10:30 a.m. with a social time, followed by the business meeting at 11 a.m., the catered luncheon at noon, and the afternoon musical program.

Guitarist Michel Ryan's visit to the Woman's Club marks a return engagement for the popular entertainer, said program vice president Helen Storland. Ryan adjunct professor at the University of LaVerne, has performed world-wide. He has played to more than 70, 000 people each year at concerts, restaurants, dinner theaters, including the Candlelight Pavilion, and organizations. Sharing the stage with Ryan will be Hai Muradiab, featured vocalist.

One of the club's service projects each year in November is the Glendora Coordinating Council's Holiday Basket Program that serves those in need in Glendora. Each year at the holidays, clubmembers are asked to donate food items for this worthwhile program. Monetary donations are also very much appreciated, said representatives Helen Storland and Joan Hallidy.

Another ongoing service project is the Shepherd's Pantry that serves families in need in 10 area cities. Clubmembers are also asked to donate food items for this program, said club project chair Gloria Liddle. A popular display each month is the Members' Participation Art Display that has a different display theme each month. This month's theme will be Autumn Displays, and members are encouraged to participate with display items according to project co-chairs Mary Moore and Chris Ohrmund.

New members are welcome to join the Woman's Club that offers four different departments or interest groups for members. The club also sponsors a number of service projects and philanthropies each year. The clubhouse is located at 424 N. Glendora Avenue in Glendora.

For membership information or for a prospective member to make a luncheon reservations to attend, please call (626) 335-8911. To rent the clubhouse, call (626) 335-7010
