Corporate Inspection Services, Inc. has been providing quality inspections and services since 1999. We believe that every buyer of a home or business should receive an unbiased inspection. Corporate Inspection Services, Inc. provides a variety of services for our clients. See our on-line services page for more information.

“Providing an unbiased inspection with no interest in selling, buying or repairing your property for profit”

Property Inspections make good sense whether you're buying or selling. Understanding all of your home's systems and components are critical when it comes to making a purchase or placing your property on the market for sale. Allow Corporate Inspection Services to inspect your property before you buy or sell.
