Dan is currently a legal analyst for ABC and a substitute anchor for "Good Morning America." Previously, Dan was also the General Manager of **MSNBC** where he defined the network as "The Place for Politics". During his tenure, the network saw its most significant ratings and profit gains to date. He also hosted "The Abrams Report", a nightly legal affairs program, and the acclaimed "Verdict with Dan Abrams". He is the current host of Investigation Discovery's "Chasing Justice With Dan Abrams."

Our **Featured Presenter** is University of California, Berkeley Police Department Corporal Ally Jacobs. Corporal Jacobs used her training, intelligence and professional intuition in playing a key role in the arrest of kidnapping suspect Phillip Garrido and the return of Jaycee Lee Dugard, who in 1991 at age 11 was abducted from her South Lake Tahoe neighborhood.
