RimCountry POWERSPORTS TRAIL RIDE Information

1. Snowstorm Mountain Trail Ride – 16 mi

UTV's and Quads OK! This ride starts Friday night, June 3, 2016 at 5:45 PM. The trail leaves from the Payson Event Center and is 16 miles long. Along the way you will encounter gorgeous views of the Mazatzal Mountain Range. This ride is meant to be a shorter ride due to the fact that it is an evening ride. Do not underestimate the beauty of this ride as you will be surrounded on both sides by gigantic mountain ranges. Halfway through the ride you will have the chance to stop and enjoy a breathtaking sunset, while you are perched on a large rock face overlooking the East Verde River. During this time you will be serenaded by one of Payson's own, Town Historian Jinx Pyle. He will share with you several stories of the region as well as sing to you some old ballads that will certainly leave you feeling a sense of nostalgia. This ride also takes you right past one of the old mines, where miners back at the turn of the century drilled a hole through pure rock; whether they found gold or not is still a mystery. Don't forget your camera and a set of binoculars as well as a flashlight. **There are a few rocky portions of this trail with a few steep inclines but for the most part this trail is rated "Beginner".** All Riders Must Wear a helmet!

2. Table Mountain Ride/Poker Run – 32 Miles

UTV's and Quads OK! This ride starts Saturday morning, June 4, 2016 at 8:00 AM. The trail leaves from the Payson Event Center and is 32 miles long. This will be a fun ride for the kid at heart! Get ready to get up close and personal with the Mazatzal Mountain Range. This ride has some of the most beautiful panoramic views of the surrounding area. One of the defining features of this ride is a large mountain that is flat and resembles a table top, hence the name of the ride Table Mountain. This area is full of old mines where prospectors set out to make their fortunes; unfortunately lady luck was often brutal and offered up only misfortune. Full of twisting turns, a hill affectionately named by the locals as the Rocky Bitch awaits you on this ride. Enjoy old stories of this area from your guides as you explore some of the most rugged landscape in Arizona. To also entertain you we have planned a poker run during this trail ride. At certain points along the way you will receive playing cards. At the end of the ride you will have the chance to play your hand. The best hand will walk away with a brand new Television from our sponsor Wal-Mart. **This ride is rated "Intermediate".** All Riders Must Wear a helmet!

3. Royal Flush Mountain Ride – 22 Miles

YOU WILL BE TRAILERING TO THIS TRAIL HEAD. This ride starts Sunday morning, June 5, 2016 at 8:00 AM. We will gather at the Payson Event Center and then all travel to the trail head. The trailhead is approximately 3 miles from the Payson Event Center. This trail is full of rich history. This area is where one of the bloodiest family feud wars ever happened. You have all heard of the Hatfields and the McCoy's. Rim Country had its own notorious feud between the sheepherding Tewksbury's and cattle raising Grahams. Over about a 5 year period there was more blood spilt between these two families than any other feud in the western United States. You will also experience some of the most rugged, yet beautiful territory in this area, so rugged it is named the Hellsgate Wilderness. At the end of one of the side trails you will have the opportunity to see the large canyon called Hole in the Ground as well as hear several stories as you pass by old mining claims that are said to still have Gold in them there hills. Get ready for a ride to remember! **This ride is rated "Intermediate" with some rocky areas that would not be suitable for small children or unskilled riders.** All Riders Must Wear a helmet!

SAFETY RULES & GUIDELINES

To help you have the best trail riding experience possible, the following rules have been put in place for your safety and well being. Any rider who chooses not to follow these rules and guidelines will be asked to NOT participate in any of the trail ride activities.

No UTV or ATV's under 250cc will be allowed on the trail. The driver of the UTV or ATV **must be 16 years old or older** with a valid driver's license. You will be asked to show your driver's license when you register. Vehicle must be street legal and you must have your OHV tag from the MVD or you can go online at www.servicearizona.com. **RIDERS MUST WEAR A HELMET; THERE ARE NO EXCEPTIONS TO THIS RULE.**

Please pay close attention to the length of the ride you are signing up for. Each participant needs a full tank of gas for each ride.

We have one route that you must trailer your UTV to the trailhead. You are responsible for the transportation to that trailhead. The Sunday trailhead is approximately 3 miles from the Payson Event Center.

Remember to "Tread Lightly" on these trails. Responsible riding, with respect for the land and the trails, will preserve your right to ride. Please don't abuse this privilege.

To participate in the Mountain High Games Trail rides, you will be required to sign a waiver of liability when you pick up your participant packet. Please pay attention to all postings for changes each day.

All Mountain High Games Trail rides are classed as to difficulty of trail and necessary rider skill and experience. "Beginner", for riders with limited ATV experience & who requires easy trails; "Intermediate", for the somewhat experienced, but skilled, competent rider, who requires less challenging trails. We assume that each rider will accurately assess his own abilities and choose those rides which will not offer more challenges beyond his experience or ability. Beginning riders who place themselves in an advanced group become a problem to the entire group. Please choose rides accordingly. If you're not sure which rides you would be qualified for, please call us at 928-472-5110 and ask about that particular trail.

All trails/roads used by the Mountain High Games are understood to be two-way. Even on narrow trails, you may find someone coming on an ATV from the opposite direction. Watch carefully for oncoming traffic on all roads and trails. Please be courteous to other riders.

On each trail ride be prepared for possible rain, wind, or cold evening weather. Please pack snacks, food, and water as needed on the trail. A raincoat or parka would be a good idea to have. Early morning showers have been known to happen in Payson in June. You will want to pack your camera or binoculars for wildlife viewing and pictures. The mountain country is beautiful and rich with wildlife.

SAFETY RULES & GUIDELINES

Trail Guides will review the rules with all participants before the ride. If you have any questions regarding the rules please ask the Trail Guide.

1. Each rider is responsible for his or her own safety.
2. **Mountain High Games Trail Rides require wearing helmets and safety gear. (Pants, goggles, boots that protect the ankles and gloves) no tank tops are allowed.**
3. NO alcohol or illegal drugs will be allowed while on the trail. This will be grounds for immediate dismissal from the ride.
4. Don't leave the group without informing the Trail Guide. We will not leave anybody. If you get lost from the group we will search until you are found. In the unlikely event you do get lost, find an intersection and stay there. Searching for a moving target is very difficult; as well you could be miles from your last known location in just minutes.
5. No passing other riders while traveling the trail, space is usually for managing dust.
6. When stopping for any reason, always keep the road open for other traffic. Motorcycles and quads might come racing through, and we need to leave them some room. So don't stand in their way either, you could get hurt.
7. Each rider is required to wait for the rider behind him or her at each fork or turn on the trail. As well, watch the rider behind you at all times. If he/she stops for any reason, stop and wait. This will cause a chain reaction and keep the group together. If you get to a fork and don't know which way to go. Stop and wait for help. Even if it takes hours. If you stay on the known trail we will find you soon. If you head down a trail we did not use, it could take hours and hours to find you. As well, if you head down a trail that is not where the group went, you just became a Ride Master because everybody behind you will follow. Please realize that these trails have been designated for the Mountain High Games only and are marked specifically for this event. The Trail Guide is very acquainted and knowledgeable of the trails; for your safety, please stay with the group.

8. Turn lights on and assure plenty of spacing between riders. Lights on will help the person in front of you see you easily and quickly.

9. Ensure you have plenty of fuel and water for the length of the ride, plus some reserve of both.

10. Each participant needs to ride at his or her own pace. These guidelines provide assurance nobody will get lost or left behind. It is critical that you ride at your own pace and at your own comfort level. If you ride beyond your comfort level; (1) you are no longer having a good time, and (2) that increases the odds of an accident. Each ride has to stay on schedule to assure returning to the Payson Event Center on time for the next event. If the pace is too fast for a rider another Trail Guide will come and escort them back to the Payson Event Center. If you have this concern at all, talk with the Trail Guide before leaving on the trails.

11. Inform the Trail Guide if you are a beginner ATV Rider. The Trail Guide will ask that you ride towards the front of the pack.

12. There will be breaks and picture opportunities provided on all the trails. If you must stop while the group is moving, go ahead, but these need to be kept to a minimum. All riders will then come to a stop so the group can stay together. If you do stop, leave your ATV near the trail so those behind you will know somebody has stopped. Our tail gunner will not pass an ATV on the trail.

These rules are to ensure a safe and enjoyable trail ride for all participants. They provide you with an understanding on how Mountain High Games Staff will manage leading you over miles of trails through the beautiful Rim Country.

Relax and enjoy the ride!
