Located between Fort Meade and the Baltimore Washington International Airport in Anne Arundel County, this apartment community will be part of a larger master planned development. Design was provided for HVAC systems for 496 luxury apartment residences including one, two and three bedroom floorplans. The project consists of approximately 500 units with 1,2 & 3 Bedroom floorplans. Design incorporated an Amenity area including fitness center, business center, game room, media room and outdoor pool. Dwelling units served by Aqua-Therm mechanical system via gas water heater. All amenity and corridors served by gas furnaces. Project value: Approximately \$65 million.
