

SOL'S OFFERS A WINNING SELECTION OF PERSONALISABLE SPORTS KITS AND ACCESSORIES

PARIS, 27th July 2015 - SOL'S, European leader in promotional clothing and bags, offers a winning solution to sports teams of all genres, with a broad selection of sportswear and accessories which can be customised to reflect the look and feel of sports teams and sponsors alike.

From t-shirts to shorts, bags to caps, SOL'S Sport and TEAMSPORTS lines offer affordable, fashionable and practical solutions for players of all types of sports.

A key piece in the collection is the new SOL'S ATLETICO, a short-sleeved shirt available in adults' and children's versions which is made of interlock polyester (140 gsm), which is breathable and ideal for keeping cool in a game. The t-shirt comes in 5 colours with a contrast trim, in simple sizes (S-XXL for adults and age 6-12 years for kids) for a better fit, and is designed with customisation and printing in mind, to complement team branding and design.

To complete the kit, SOL'S offers shorts such as the new basic SOL'S SAN SIRO 2 and SOL'S SAN SIRO KIDS 2, which are made from 100% flat polyester (140 gsm), feature an elasticated waist and an embroidered contrast logo on the leg.

For a clean, simple look, the SOL'S SPORTY unisex raglan sleeved t-shirt is made from 100% breathable polyester. It is available in an impressive 14 colours including 4 all-new dynamic neon colours (Neon Pink, Green, Yellow and Orange). Dry-fit and comfortable, the SOL'S SPORTY also comes in ladies' and kids' versions (SOL'S SPORTY WOMEN and SOL'S SPORTY KIDS respectively). The comfort, practicality and versatility of this piece make it one

of SOL'S best-sellers, with more than one million pieces sold each year. Easily customisable, the SOL'S SPORTY is ideal for sublimation printing.

The SOL'S SPORTY can be paired up with the new range of mid-length shorts for men (SOL'S JUNE) and shorter versions for women (SOL'S JUICY) in French Terry (80% cotton, 20% polyester) which is very soft and comfortable, and perfectly on trend for 2015.

As well as sports clothing and kits, SOL'S has also developed a range of accessories, such as the SOL'S ATOLL microfibre towel, which is ultra-fast drying, available in 3 sizes, and suited to sublimation printing of logos or other branding, as required.

With a catalogue of almost 350 customisable products, ranging from t-shirts to polos, sweat shirts to fleeces, caps to bags, all designed in Paris, SOL'S has something to offer for every activity, profession and function. SOL'S has a permanent stock of 25 million items in Le Havre, France, and is able to deliver to 60 countries worldwide – many within 24 hours – via a network of local distributors.

SOL'S also includes a large number of labels and certifications, and is a member of the FAIR WEAR FOUNDATION.
