p.L.O

2. In the reference third cited the Government of India have clarified that it may not be possible or desirable to lay down that Physically Handicapped employees belonging to Group A or Group B who have all India transfer liability should be posted near their native places. However, in the case of holders of Group C or Group D posts, who have been recruited on regional basis and who are Physically Handicapped, such persons may be given posting, as far as possible, subject to administrative constraints, near their native places within the region. Request from Physically Handicapped employees for transfer to or near their native places may also be given preference. Further, it was clarified in the reference fourth cited that, the requests from Physically Handicapped employees for transfer to or near to their native places may also be given preference, covers Physically Handicapped employees in Groups A, B, C and D.

3. This Government, after detailed examination, decided to issue fresh guidelines in the matter in tune with the guidelines issued by the Government of India as follows:-

- i) Physically Challenged Government Servants in all Groups viz. A, B, C and D shall be posted near to their native places wherever possible.
- ii) The above concession may be considered subject to administrative constraints.
- iii) Transfers effected based on administrative reasons and as a matter of disciplinary proceedings will not attract the concession ordered in item (i) above.

4. The above guidelines shall be scrupulously followed by the Government departments.

Yours faithfully,
