2016 IEEE 4th International Symposium on Robotics and Intelligent Sensors (IEEE IRIS2016) will be held in Tokyo Japan from **17th to 20th December 2016**. IEEE IRIS2016 is organized by IEEE Robotics and Automation Society (IEEE RAS) Malaysia Chapter and Hosei University Japan.

All accepted papers in Regular Sessions will be published in the conference proceedings and will be submitted for publication in IEEE-Xplore database (SCOPUS indexed). All accepted papers in Workshops and Special Sessions will be published in Journal Procedia Computer Science by Elsevier (SCOPUS Indexed).

The conference program includes technical oral and poster sessions, keynote sessions, forums and International Robot PRIDE Competition. IEEE IRIS2016 welcomes submission of original and unpublished works related to robotics, sensors and other related areas.
