

USING MIRACLE WITH PETS AND IN THE GARDEN

Gardeners: TO KILL INSECTS ON PLANTS ... Add 5-10ml Soap to 500ml spray bottle of water or 40-60 ml Soap per 4.5 ltr of water and spray on plant. Use the same formula for ants, wasps, cock roaches, and spiders. Everyone has reported great results. Users of Miracle II said they stopped having bug problems in 30 days.

Citrus Trees Blight: Spray Neutralizer on trees. Try this on any tree, bush, flower or garden plant. Add 60ml of Neutraliser per 4.5 ltr of water, foliage feed, every 7 days for supernatural growth and production.

Fleas and Ticks: Use soap sparingly as it will make too many suds. Shampoo the dog and cat with Soap suds for few minutes and rinse and dry. Then spray Neutralizer and let dry. You will never use anything else. It will not harm their eyes. Heals rashes and cuts on dogs, cats and horses.

Litter Box: Spray with Neutralizer. This will take the odour away.

General animal health: Use the Neutralizer Liquid and add a few drops in their water, spray their eyes, mouth, ears. If poisoned or bitten administer Neutralizer Liquid internally and spray Neutralizer with an atomizer bottle.

Horses: put the gel on their sores, sprains and injuries, Neutralizer gel is a wonderful healer for horses hooves and works fast too.

Moisturizing animal skin: If needing moisturizing as many animals' skin do use the Skin Moisturizer as well as or instead of the Neutralizer Gel.
