This new structure and points recorded will be **effective January 1, 2014**, and past points will not be affected. The Tiers are based solely on the number of competitors and not the size of the Event. The Competitor's Points Registry is meant as a tool to assist both the Promoter and the Contestant.

Points are recorded for current WSDC Registry Member Events for Jack & Jill competition results only, and for male/leader and female/follower competitors for the divisions listed above. Points that are recorded but don't move you to another level/division: Juniors, Newcomer, Masters, All Star, and Champion/Pro/Invitational. Points that are recorded but DO/CAN move you to another level/division: Novice, Intermediate, and Advanced. Points will be recorded based on the Tiers below which is determined by number of competitors. Please be sure to check **every individual Event rules** regarding their requirements to dance in any division.

The Event Director is responsible to report the results of Jack & Jill competitions to the WSDC **within 10 days of their event**. They are also responsible for advising the WSDC how many contestants were in each category, thereby setting up the Tier level for recording points, as stated below. Event Directors are also responsible for informing contestants of the point structure detailed below. The WSDC determines recorded points based on this input. **Points are not input into the database until full results and dollar surcharge are turned into the WSDC.**

The competitor is responsible for knowing your WSDC assigned competitor ID number. Please use this ID number when signing up for J&J contests at events. Competitors should know what division they should be competing in but use the Points Registry for guidelines if you are unsure. If the event allows you to petition down or up, please do so according to that event's requirements. **Know the rules of every individual event prior to competing!**

Points are recorded as follows: When number of competitors is "uneven", points will be recorded (Tiered) separately by leader/follower. The minimum number of couples (even leaders & followers) to make a contest eligible for recording/tracking is five (5). Should a Tier 2 contest have more than 10 finalists or a Tier 3 contest have more than 15 finalists, those contestants placing beyond 10th/15th place (respectively) in the final results will not receive a finalist point.

Tier / # of Competitors	1 st Place	2 nd Place	3 rd Place	4 th Place	5 th Place	Additional
Tier 1 = 5-15	5	4	3	2	1	0
Tier 2 = 16-39	10	8	6	4	2	1 point 6th up to 10 th
Tier 3 = 40+	15	12	10	8	6	1 point 6th up to 15th

TIER 1 - 5 to 15 Competitors (Could be run as a "finals only", or perhaps semi and final)

TIER 2 - 16 to 39 Competitors (Should at least be run as a semi/final, but could be prelim / semi / final)

TIER 3 - 40+ Competitors (With this number of competitors, should be 3 rounds - prelim / semi / final)

FREQUENTLY ASKED QUESTIONS & FURTHER CLARIFICATIONS

We hope to answer some frequently asked questions (FAQs) about how points are recorded in the Points Registry. It's the responsibility of the Event Director and Competitor to be aware of these rules.

- 1) The WSDC only tracks and records points for Jack & Jill contests. Points will only be recorded for those who danced in the final round only.
- 2) Points are tracked and recorded for female-followers and male-leaders. Should a contest/Event allow male followers and female leaders, those contestants not dancing in the traditional roles will *not* be eligible for points, should he or she place/make finals or place.
- 3) Contests where the leader or follower dances and places twice in that division, that individual will only be awarded points in the highest of the two placements.
- 4) For events that combine divisions (i.e. Novice/Intermediate), points will be tracked for all contestants in the lower of the two divisions.
- 5) For events that offer only one division (i.e. "Open"), points will be tracked in Advanced.
- 6) For events that have different category names per division, we may not record them. Note what divisions **are recognized** by the WSDC (see table page one).
- 7) For events that are held over New Years' holiday, points will show as of December-end of that year (versus using January of the New Year).
- 8) Points received prior to the last five (5) current years will not show on the Event Director's copy of Registry Books. They will be archived and available to see on the website (in other words, they are not "taken away").
- 9) Each competitor may only dance in **one skill level division**.

Recommendations:

Novice: A competitor must stay in Novice until they have earned at least 15 points in Novice. In addition, a competitor may stay in the Novice division until they have both 15 points and a first place win in Novice.

Intermediate: A competitor must stay in Intermediate until they have earned at least 30 points in Intermediate. In addition, a competitor may stay in the Intermediate division until they have both 30 points and a first place win in Intermediate.

Advanced: You must have at least 30 points in Intermediate in order to move into Advanced.

All Stars: Not all events offer this division, and it's elective to enter. We recommend that at least one of the qualifications to dance in All Stars is that the competitor has at least 45 current points in Advanced (earned within last 3 years).

Petitions: All Events should offer petitions and it can be on the sign-up form. We suggest that a committee, including the Chief Judge, consider the requested reclassification/petition after reviewing the dancer's record. The Event Director will select this committee prior to the Event. For competitors, please note that if you have petitioned to dance in a higher/lower division at one Event, this does not "carry over" to the next Event. You may need to petition at the next Event as well. Petitioning should only be to dance **one level up or down only, or to stay in current division**. Once you have competed/earned (current) points in a higher division, you should stay in that division!

Some valid petitioning reasons:

- points earned in a very small or very large competition (i.e. recognized by the Tiers)
- points are old (perhaps over 7 years)
- accomplished dancer who has not competed at many Registry events to earn points
- qualified instructor, but without competition points, who should not be competing against their own students

Please remember to check every individual Event's rules/guidelines regarding their competitions and their requirement. Sometimes they will vary from the WSDC recommended rules/guidelines.

The Points Registry is available at http://www.swingdancecouncil.com/registry_search.asp. A published version (hard copy or soft copy), detailing the individual results up to 60 points and showing the past five (5) years of competing, is given to the Event Director (WSDC Members only) just prior to their Event.
