

# Client Contract

## Daycare and Boarding

I request that my dog be accepted into The Wiggle Room Doggie Daycare. In accepting my dog(s) into the facility I acknowledge that The Wiggle Room will be relying on my understanding and agreement to the contract as listed

Every dog reacts differently and animals, by nature, are unpredictable and, therefore, present a certain level of risk. I acknowledge and understand that there are certain risks involved in participating in daycare and in owning, training, caring for, handling and being in the presence of dogs, including but not limited to injuries to people, property, and animals resulting from dog fights, dog bites to humans or other dogs and the transmission of disease.

I hereby waive and release The Wiggle Room, its employees, owner and agents, from any and all liability that my dog may suffer or cause, including specifically, but not limited to, any injury, sickness or damage whatsoever arising from the attendance and participation at The Wiggle Room.

Due to the social nature of our facility there are some inherent risks. These risks include, but are not limited to: transfer of communicable diseases such as Canine Papilloma virus (Puppy Warts) Canine Cough, parasites, broken nails, sore feet, abrasions, and cuts. Most of these risks can be managed by staff or at home, in some cases veterinary care may be required. The Wiggle Room takes all precautions to severely limit these risks.

Dogs at play during daycare get dirty. Dogs with longer hair can get matted from the level of activity at daycare. Excessively long toenails may cause injury. I will be notified if my dog's nails are too long. Nails must be trimmed by the next visit.

Dogs not regularly exposed to the level of activity at the daycare may feel the discomfort of sore muscles, sore joints and fatigue, and dogs not regularly exposed to outside activity or play on hard surfaces may experience sore paws, blisters, bruises or abrasions on the feet.

If a dog has been away from the pack for a significant period of time a second temperament test may be required to ensure it is still a good fit. Additionally, dogs not familiar with The Wiggle Room may experience separation anxiety when apart from their human companions.

Dogs can grow out of wanting to play in a high-energy environment at any point in their life. Any behavior deemed dangerous or inappropriate by The Wiggle Room personnel may result in dismissal of my dog(s) from the program at any time. (e.g., bullying, aggressive play, excessive humping, anxiety, etc.).

Water is available at all times; however, my dog may still be thirsty after daycare. I will be aware of their water intake as excessive amounts may cause an upset stomach or other problems.

Some dogs may be required to complete a boarding trial night before using our boarding services. As a cage free boarding facility some dogs may be too anxious to settle in for the night. This is determined on a case by case basis.

I must pay for all services at the time they are rendered. I understand any unpaid fees by me will be sent to collections, and I will be responsible for all collections and legal fees incurred by such actions taken.

I understand the cancellation and deposit policies for both daycare and boarding, and acknowledge that I may be responsible for a cancellation fee for not providing sufficient notice.

In admitting my dog(s) into The Wiggle Room, the facility has relied on my representation that my dog(s) is/are in good health, has/have not been ill with any communicable disease within the last 30 days and has/have not harmed or shown aggressive or threatening behavior towards any person or any other dog.

I understand that The Wiggle Room's employees give all pets involved in any type of incident a cursory examination; however, the facility's staff are not trained veterinarians and will not be liable for the location, treatment or diagnosis of any injuries incurred on the premises. If my dog(s) is/are involved in an incident at The Wiggle Room, I will check my dog(s) further or seek treatment for my dog(s) by a licensed veterinarian at my discretion and cost.

I have read and understand The Wiggle Rooms "Rules and Regulations" which outline all vaccine/health requirements, collar requirements, hours of operation, pick-up/drop-off times, reservation requirements and fees.

In case of a medical emergency, I understand that full effort will be made to reach me, or my emergency contact. However, if unable to, I give full permission for The Wiggle Room to make any needed decision concerning medical treatment of my dog(s). I authorize urgent veterinary treatment of my animal(s) and I understand that I will be fully responsible for all fees and charges incurred on my behalf. The Wiggle Room reserves the right to utilize the services of any available veterinary hospital in the case of such emergency.
