PEOPLE LOVE STORIES

They are constantly watching stories
on their tablets, TV's and in theatres

No wonder when God wrote
the world's best-selling book
he filled it with stories

While God's stories are far
more powerful and relevant
than Hollywood's we have to
know how to present them

**COME LEARN HOW
TO COMMUNICATE
GOD'S STORIES WITH
MORE POWER THAN
THIS WEEKEND'S

A UNIQUE OPPORTUNITY

The apostle Paul wrote to his son in the faith: **Preach the word; be prepared in season and out of season; correct, rebuke and encourage- with great patience and careful instruction – II Timothy 4:2**

There is no greater privilege nor more awesome responsibility than proclaiming the Word of God. New England Christian Study Center of greater Worcester is eager to inspire and equip those that the lord has called to this ministry.

We are happy to announce that we will be offering to both seasoned and aspiring preachers of the Scriptures a truly unique opportunity. In partnership with the Expository Preaching Institute, we will be bringing to central MA and New England a world class instructor in biblical preaching for two intensive days of training in proclaiming the Word of God- Dr. J. Kent Edwards.

Kent travels the world with his ministry Crosstalk Global (www.crosstalkglobal.org), but he also knows well the challenges of effectively ministering the Word of God here in New England.

A feature of this seminar is that each attendee will have the opportunity to join a regional mentored cohort of fellow preachers. The cohorts will meet quarterly for at least a year to help each other develop effectiveness in proclaiming the Word. In addition, Kent will conduct a post-seminar webinar with these cohorts.

INSTRUCTOR

Dr. Edwards is currently Professor of Preaching and Leadership at Talbot School of Theology and has served on the faculty of Gordon-Conwell Theological Seminary. He is author of two award-winning books: DEEP PREACHING and EFFECTIVE FIRST-PERSON BIBLICAL PREACHING.

J. KENT EDWARDS
Ph.D., D.Min., Founder and CEO of CrossTalk Global
