

TECHNOLOGY & ENGINEERING TEACHER EDUCATION

# DIRECTORY

2012-2013  
51<sup>st</sup> Edition

---

Institutions, Degree Data, and Personnel

Including program listings for technology teacher education, engineering teacher education, industrial teacher education, and trade & industrial teacher education.

*Sponsored by:*

**The Council on Technology and  
Engineering Teacher Education**

---

**Editor  
George E. Rogers**

## Preface

It is a pleasure to present the 51<sup>st</sup> edition of the *Technology and Engineering Teacher Education Directory*. The publication of the *Directory* is sponsored by the Council on Technology and Engineering Teacher Education (CTETE), and was made possible by funding from Goodheart-Wilcox Publisher. The profession is indebted to Goodheart-Wilcox Publisher for their commitment to technology and engineering teacher education as evidenced through their continued funding of the publication of the *Directory*. The publication of the *Directory* was also enhanced by the editing of Jill S. Albrecht. I am truly indebted to Jill for her assistance.

The *Directory* is provided to all members of the Council and to each institution listed within the *Directory*. Additionally, an electronic version is also available on the CTETE website at <http://www.ctete.org/>.

Professionals interested in becoming members of CTETE should visit the Council's website for membership information. Membership and participation in CTETE can help promote the the further development and growth of technology, industrial, and engineering teacher education.

I sincerely hope the *Directory's* presentation of data related to technology, engineering, and industrial teacher education will assist you in your professional endeavors.

George E. Rogers, Editor  
Purdue University

## Table of Contents

### General Information

Preface .....	Inside Front Cover
Table of Contents .....	1
Explanatory Notes .....	2
Institutional Data .....	3 - 54
CTETE Executive Team .....	Inside Back Cover

### Institutional Data

Arkansas .....	3
Colorado .....	4
Connecticut .....	5
Florida .....	6
Georgia .....	7
Idaho .....	8
Illinois .....	9
Indiana .....	11
Iowa .....	14
Kansas .....	16
Kentucky .....	18
Maryland .....	20
Michigan .....	21
Minnesota .....	22
Missouri .....	23
Montana .....	24
Nebraska .....	25
New Jersey .....	26
New York .....	27
North Carolina .....	31
North Dakota .....	34
Ohio .....	35
Pennsylvania .....	39
South Dakota .....	43
Utah .....	44
Virginia .....	46
Washington .....	48
Wisconsin .....	49
Wyoming .....	51

## **Explanatory Notes**

The *Directory* is arranged alphabetically, first as to the states; secondly, by institutions within each state; and finally the personnel in each program.

Institutions were asked only to include faculty who spend the majority of their assignment in the area of engineering, technology, or industrial teacher education. Institutions were also asked only to include enrollment and graduation data for engineering, technology, and industrial teacher education majors. Data do not include general career and technical education majors.

Data are presented in the following pattern:

1. The full official name of the institution.
2. The full official name of the college where the teacher education program is located.
3. The full official name of the department where the teacher education program is located.
4. The mailing address, telephone number, and website of the teacher education program.
5. The contact information for the teacher education program coordinator.
6. The number of graduate assistantships offered for the 2012-2013 academic year.
7. The degrees awarded from July 1, 2011 through June 30, 2012.
8. The current student enrollment for the 2011-2012 academic year.
9. Teacher education program personnel listed by name, rank, highest degree earned, and teaching/administrative area.
10. Teacher education program personnel contact information including email and telephone number.
