HARMONY & HOPE

WELCOME TO **HARMONY & HOPE**

Responding to Violence with Music

I designed this event as a massive response to a major crisis in our society. Like so many of us, I have been overwhelmed by the number of shootings in our country and have felt that I wanted to do something about it. As music is my passion and profession, I decided to create a program to use music's power and beauty to bring us together and to help soothe and heal the fear, loss, and anguish we are all feeling.

With these 12 concerts today, I hope the music helps to ease the pain in our hearts, to remember the love of those who have been killed, and to give us hope for a future without violence.

Special thanks to the extraordinary musicians for bringing Harmony & Hope to our community and to all the individuals, friends, and organizations whose generosity has made this event possible. And thank you to the Arlington Street Church for being our host today.
