Bring a few bites of hay and a small bucket of water, share with a friend, make a friend and stay close to the judging area so the judges never have to wait for horses to show up for judging. **Please note 10 Mile Riders may arrive by 10:00 with judging at 10:30 a.m.**

Water is available via a hose that runs out of the gun club & usually we park a water wagon for those camping in the back. There are flush toilets & showers in the gun club. Electric fences or picketing between trailers can be set up. The NJTRA board strongly advises that your paddocks top electric tape be about nose height to your horse (about 4 feet). Inadequate horsemanship in stabling has lead to several instances of loose horses in past years. **Management reserves the right to ask any rider to leave without entry fee refund if proper stabling is not maintained.**
