

## **HOW TO ORDER FAMACHA© CHARTS**

Before contacting us, please read the “Open letter to sheep and goat producers explaining the FAMACHA© program” posted on the FAMACHA section of the ACSRPC website.

Please note that non-veterinarians can only purchase FAMACHA charts if they have received prior training. We cannot sell FAMACHA directly to non-veterinarians unless they have proof that they have received proper instruction in the FAMACHA method.

For ordering information, please send an email to [famacha@uga.edu](mailto:famacha@uga.edu).

Email ordering and communication is the most effective and efficient manner to communicate with us, and if you have access to the internet we request that you contact us in this manner. However, if you do not have access to email you may call our laboratory at (706) 542-0742. If there is no answer, please leave a messaging stating the purpose of the call, your name, where you live, and leave a return phone number. Someone will get back to you.
