

AUGUST 13, 2016 FROM 10:00 AM - 4:00 PM

PAW PAW CONSERVATION CLUB

56222 30TH STREET, PAW PAW, MI 49079

Silencers are the fastest-growing segment of the firearms market, and with their many benefits it's easy to see why – but you don't have to take our word for it. Bring the entire family out for a day of fun at one of SilencerCo's Quiet Riot events and hear for yourself why silencers are in high demand. Open to the general public, these events are centered around educating attendees about the benefits of silencers and dispelling common myths. All guns and ammunition will be provided, with product experts from SilencerCo and local firearm shops on hand to provide instruction and guidance on the purchasing process.
