

Garrett

We have worked with a few realtors in our life and it was a pleasure working with you.

We fell in love with the second home you showed us and you got it for us!

You walked us through each step and kept us up to date.

A very smooth transaction and you have been completely professional at all times.

Thank you!

Sept. 2013

*With sincere gratitude
and appreciation.*

Frank and Teele Alva

I will be giving your information to anyone needing a realtor!
