## Conference Information

### Meals/Snacks

Registration includes an afternoon snack on Thursday; breakfast, morning coffee, lunch, afternoon refreshments and a reception on Friday; breakfast, morning coffee, lunch, and afternoon refreshments on Saturday; and breakfast on Sunday. Name badges are required for entrance to all sessions, meals, and receptions.

### Making Greener Choices

We continue to evolve into a “greener” conference by making conscious decisions to curb waste and reduce our environmental impact. We significantly reduce paper consumption by reducing print materials. Abstracts and session information can be found on our website ([lillyconferences-ca.com](http://lillyconferences-ca.com)) and in the Guidebook Mobile App.

### Evaluation of Sessions and Conference

In keeping with our theme of Evidence-Based Teaching and Learning, assessment is important to us. We encourage you to complete session evaluations following each concurrent session; and to complete an overall conference evaluation following the conference. If you have any concerns during the conference, please come to the conference registration desk and speak to an ITLC staff member.

### Award for Outstanding Poster

This year we again present the Award for Outstanding Poster. The award includes \$200 in credit toward a registration at the **2018 Lilly Conference in Anaheim** AND \$200 credit toward the **2018 Lilly Conference in Anaheim** registration to be given by the poster winner to any ONE person who has never been to a Lilly Conference on College and University Teaching.
