

LEAVE A LASTING LEGACY FOR GENERATIONS TO COME

Right now, a "Window of Opportunity" has opened for you to honor beloved friends and family. As you know, we are in the long overdue process of restoring and protecting our beautiful stained glass windows. Stained glass offers a warm glow, while powerful images encourage reflection, meditation and prayer.

To make this plan a reality, we need your financial assistance. Instead of just asking for donations, we are giving all parishioners the chance to sponsor the restoration of a window. In thanksgiving, a commemorative, engraved plaque will be placed at the bottom of the window. Each plaque will be a shining testament to the generosity of our members, and the role that beloved friends and family played in our church community. Although this is a one-time sponsorship, your generosity will benefit countless individuals for years to come.

Won't you please consider helping us in our stained glass restoration effort? Any donation, no matter how large or small, will be gratefully accepted. There are several sponsorship options:
