# Frequently Asked Questions

- Is this program for only “high risk” merchants?
  - No, the GF program is well suited for all merchants
- Is this program First Position only?
  - No, the GF program is also good for 2<sup>nd</sup>, 3<sup>rd</sup>, and even 4<sup>th</sup> positions
- What if my merchant needs a lump-sum?
  - They can apply for a traditional program and use the GF program in second position
- Why is an installment program better than a lump-sum program?
  - The GF program is a true “working capital” program. Merchants don’t have to waste their time with paperwork and constantly seek new sources of funding because the next round of funds is always around the corner
