To Everyone at Elegant Catering:

I just wanted to write to you and let you know that your service is outstanding. We have been doing business with you for several years now.

We are a company of 45 employees located in Portland, Oregon.

I originally found you through the internet. Your customer service reps are always friendly and patient. I have been known to want to adjust your menu and you have always accommodated. The food has always arrived warm and placed beautifully upon plates. Our company consists of mainly men and your serving sizes for lunch are just right.

Thank you, keep up the great work!

Your friends and Skutt
