Dear Dave,

Well, you've gone and done it again. What am I going to do with you?! And you definitely have a consistent pattern - you know that don't you?!

CCTV has been ordering food from Elegant for what .... at least 10 years, so I know what I'm talking about when I say Elegant's food and service are something else: consistently delicious - consistently excellent.

When we order side dishes for CCTV's Annual Volunteer Recognition, the food *always* gets raves and people want to know who made it - especially the creamy garlic mashed potatoes (mm.)

The food for the annual staff holiday luncheon has been quite delicious over the years, but yesterday it was over the top. I'm speaking about the Chicken Parmesan. It was the first time I ordered it - being an Italian I don't like to order Italian because the food never measures up.

But not yesterday. I was quite amazed at the sauce - it tasted really Italian. And the quality of the chicken and cheeses you used was just what I would have used myself.

There were several children at the luncheon and sometimes children can be picky eaters, but these kids gobbled the up food.

And the fresh whipped cream that was included to put on top of the warm apple pecan crisp was great - it was nice to have it fresh and not out of a can.

Thank you again, for the umpteenth time, for making me look good by ordering your food.

I love to see people enjoy themselves and their food. If I order from Elegant, it's a sure thing they will.

Sincerely,
