All things being equal
WHY PAY MORE?

Proudly offering the lowest
“under 50” rates available in the market.

Writing Direct ? Using another Agent ?

Why you should partner with MSM on your “over 50” ?

- 1) We represent nearly every major DBL carrier in the market, virtually guaranteeing the lowest quotes available on your in-force and/or prospective accounts
- 2) We license your agency with each respective carrier and set-up direct commission payments. You receive 100% of all brokerage commissions
- 3) We do not write direct business
- 4) We act on a “first in” basis. We have found this is the only way to keep things fair between both our largest and smallest producers
- 5) We maintain a duplicate hardcopy file on all active accounts so as to assist in resolving any issues and/or concerns which may arise

If you have any questions or wish to discuss a prospective client, please do not hesitate to contact us: (718) 979-0200 MSMGeneral@aol
