Dear Friend,

Our organization, The Butterfly Effect Project "BEP" is a not-for profit 501(c)3, Tax ID 47-1993500 that is presently planning our 4th Annual Wo/Man Empower Wo/Men Luncheon. The BEP operates in multiple communities on the East end, with most of our families residing in the Town of Riverhead, Town of Brookhaven and Town of Southampton. Our mission is to "empower the community one girl at a time." If you would like to learn more, please visit our website at BEPGIRLS.ORG.

In the past several years, we have given monetary scholarships to send butterflies to camp and we help supply our families with back to school supplies. In addition to this work, we assist families with groceries, musical instruments, clothing and a host of other needs. Our main goal is to provide a totally free program that empowers young girls, by giving them the tools to assist in achieving emotionally stable and self-confident futures, in hopes of bringing forth a generation of women who are strong, independent and knowledgeable. The Butterfly Effect Project aspires to ensure that every girl enrolled in the program has a fair chance to broaden their horizons by eliminating obstacles such as mobility, cultural differences and finances, and we need your help to do it!

We are currently seeking sponsors for our highly attended 4th Annual Wo/Man Empower Wo/Men Luncheon taking place Saturday May 19, from 1-4pm at the Riverhead Senior Center at 60 Shade Tree Lane in Riverhead.
