PUTTING YOU FIRST

We are extremely pleased to introduce our new **ETFO Benefits Plan, a plan tailor-made for eligible ETFO members and one that provides you and your family with valuable financial protection.**

Full plan details, including who can participate, enrolment deadlines, eligible expenses, exclusions, how to make claims, and any required payroll deductions, are available on OTIP's secure member website once you have enrolled.

The benefit year starts September 1 and ends on August 31, except where otherwise indicated.

The plan has no waiting period for new eligible members. Certain restrictions, limitations and exclusions will apply. In the event of your death before retirement, family members continue health coverage at no charge for 12 months and may remain in the plan after that time at their own cost (some restrictions may apply).

The plan is administered by OTIP, a not-for-profit organization dedicated to Ontario education workers, created and governed by ETFO and Ontario's three other education affiliates.

ABOUT THIS GUIDE

This quick reference guide is intended to provide you with a brief overview of the new ETFO Benefits Plan and is not intended to be comprehensive.
