4th Grade Spelling Words

Prefix 're'

Spelling concept: Prefixes are added to the *beginning* of a base word to change the *meaning* of that word. However, the *spelling* of the base word does ***not*** change This week we are learning about the **prefix 're'**. Prefix 're' means ***back*** or ***again***. When you add prefix 're' to the base word, do **not** change the spelling of the base word.

Example: re + new = renew (to make new again)

1. renew
2. redo
3. revisit
4. recheck
5. refund
6. rewrite
7. retell
8. remake
9. refresh
10. reclaim
11. reelect
12. reconsider
