

# WHOOO DO YOU KNOW?

## USE A.L.I.C.E. TO LIST EVERYONE YOU KNOW!

Here's an acronym that can help you create a contact list of everyone you know – friends, family, coworkers, people you do business with and people you meet while out and about. Include a variety of folks from diverse groups so you can branch out and share Origami Owl® with people from different circles of your life.

You can also share this acronym with your Hostesses to help them create their guest list for their upcoming Jewelry Bar®!

A

### ACQUAINTANCES
