

Important Disclosures that Accompany All Articles or Video Reviews:

None of the stock information, data, and company information presented herein constitutes a recommendation by Demogronomics or a solicitation of any offer to buy or sell any securities. Any specific securities identified and described do not represent all of the securities purchased, sold, or discussed for advisory clients. No reader should assume that any investments in any of the securities identified and discussed were or will be profitable. Information presented is general information that does not take into account your individual circumstances, financial situation, or needs, nor does it present a personalized recommendation to you. Individual stocks discussed or presented may not be suitable for you. Investment in securities involves significant risk and has the potential for partial or complete loss of funds invested. One cannot invest directly in an index. Results presented include the reinvestment of all dividends and other earnings. Any graphs, when used, are for illustrative and discussion purposes only. Although information has been obtained from and is based upon sources Demogronomics believes to be reliable, we do not guarantee its accuracy and the information may be incomplete or condensed. All opinions and estimates constitute Demogronomics judgment as of the date of the report and are subject to change without notice. This report is for informational purposes only and is not to be construed as an offer to buy or sell any financial instruments and should not be relied upon as the sole factor in an investment making decision. Any decision to purchase securities mentioned in this research must take into account existing public information on such security or any registered prospectus. Past performance is no indication of future results.

FEDERAL TAX ADVICE DISCLAIMER: As required by U.S. Treasury Regulations, you are informed that, to the extent this presentation includes any federal tax comment, the presentation is not intended or written by Demogronomics to be used, and cannot be used, for the purpose of avoiding federal tax penalties. Demogronomics does not advise on any income tax requirements or issues. Use of any information presented by Demogronomics is for general information only and does not represent tax advice either express or implied. You are encouraged to seek professional tax advice for income tax questions and assistance.
