

Two Charities...

One Great Event!

Red Ribbon Golf Classic

May 8, 2017 at Green Valley Country Club

Benefiting Greenville Family Partnership & the Chris and Kelly's HOPE Foundation

Every single day, an estimated 120 people die in the United States from a drug overdose. This makes it more important than ever for us to educate our community about the specific harms of drug, tobacco and alcohol use among teens. Together, Greenville Family Partnership and the Chris and Kelly's HOPE Foundation are fighting to end substance abuse in Greenville County through proper prevention, treatment, and community support.

The Chris and Kelly's HOPE Foundation was created in memory of Chris and Kelly Grant, 2 brothers who lost their battles with addiction.

Thank You to Our Sponsors:

Greenville Family Partnership and the Chris and Kelly's HOPE Foundation encourage all adults to have a conversation with a young person in their lives about making healthy decisions that will keep them on a path toward a successful future.
