APPLICATION FOR RETIREMENT PROGRAM

Retirement planning is one thing that seems to be overlooked by many Christians and non-Christians as well. We understand that the Bible says in Matthew: "Take no thought for your life, what you shall eat . . . for after these things do the gentile seek" (Matthew 6:25) But in the same manner the Bible also says: "But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is **worse than an infidel.**" (1 Timothy 5:8) So is the Bible contradicting itself? Absolutely not, the first passage speaks to upon what one focuses attention the second speaks to the responsibility of an individual to provide for his family. Financial planning is one of the greatest ways one can see to it that he/she and his/her family is provided for in the retirement years. This is why we have developed this program to ensure that your needs are taken care of when you enter into the finer years of your life. This is THE ONLY program we offer that has a monetary value assigned to it that must be supplied by you. While we view our calling as purely ministerial there are some things that you must do for yourselves, besides, before Jesus raised Lazarus the mourners had to remove the stone (John 11:42-44) thus an act of faith.
