

HOW YOU CAN HELP THESE KIDS

In a world that is more interconnected than ever before, challenges related to poverty, health and human rights belong to all of us. We are dedicated to wiping out extreme hopelessness on the Reservation in our lifetime. LHNC is 100% privately funded to stay outside the 'paralyzing grip' of politics, government or bureaucracy. Helping people help themselves is what we do best. We depend on people who are appalled and disturbed by the current conditions on the Reservation and are in a position to do something about it.
