

Dear Friend,

Thank you for being interested in joining our efforts to restore our community one by one. You're coming into this program to let God change your life. This journey will not be easy and at times extremely difficult. I encourage you to look at it as an investment. Investments take up front costs- but in the end, you have a great payout. Investing the next year of your life in order that the rest of your life will be changed is a great investment. As you approach graduation, you will find yourself equipped, trained, and ready to be led by the Holy Spirit to impact others in your life. Be encouraged because God has a plan for you (Jeremiah 29:11).

I'll never forget the day when I accepted Christ into my life. I was sitting in Cell 121, looking at 14 years in prison. That's when I'd finally had enough. I invited Jesus Christ into my heart and since that day, things have never been the same. That doesn't mean my journey got easier but I had a peace that I didn't have before.

If you are weary, you will find rest in Jesus Christ at One Eighty. During your stay, do not put your faith in this "program", or the leadership, but put your faith in the One that holds the power to change your life forever, Jesus Christ.

Thank you and God Bless!

Your Faithful Servant,
Rusty Boruff, One Eighty Founder and Director

Who We Are and What We Do

Vision Statement: To bring love, hope and opportunity to those in crisis situations.

Purpose: To provide Godly and Holy Spirit led restoration to men and women in crisis.

How: We will rely on prayer and the Word of God to transform the lives of men and women into their destinies. We will utilize hands-on discipleship methods for helping them overcome their addictions, habits, and struggles. We will accomplish this by allowing God to use us to restore lives, purify hearts, and disciple them into Godly men and women, through Jesus Christ.

Then the King will say, "Enter, you who are blessed by my Father!
Take what's coming to you in this kingdom.
It's been ready for you since the world's foundation. And here's why:
I was hungry and you fed me,
I was thirsty and you gave me a drink,
I was homeless and you gave me clothes,
I was sick and you stopped to visit,
I was in prison and you came to me."
Matthew 25:34-36(TMSG)

"Take a good, hard look at your life. Think it over." *Haggai 1:7 (TMSG)*

Residential Overview

One Eighty Ministries has a 12 month program, however, it is an individualized program and often times can last longer. After 12 months, there is a mandatory review of the resident. Before residents are allowed to be promoted to each upper-phase, an evaluation and approval must first come from the One Eighty leadership team, house supervisor, and mentor(s).

Brief Description of the Phases and Goals of the One Eighty Residential Facilities.

Employment Preparation Course

Work Program and One Eighty Enterprises: Residents are enrolled in our Work Program (DBA One Eighty Enterprises) from assessment phase to phase 2. This includes up to 25 hours a week of work within OEE. In Phase 3 our residents enter the classroom studies 2 hours per week. The other time they are looking for work, working part time, or are continuing to work in our work program.

Class Room: Residents complete 24 hours of classroom work to improve their skill set and experience. This course will happen while in Phase 3.

Entrepreneurship: We see entrepreneurship as a valuable choice of employment. If residents show interest and the potential, an entrepreneurship could be made possible through One Eighty. They first must complete our Apprenticeship Program.

Apprenticeship Program: Offered to those who show the interest and potential to work for One Eighty in some capacity in the future.

GED: If a high school diploma or GED is not present, it is not required, however it is encouraged. We will assist in this by networking with local agencies to ensure this goal is met.

College Courses: College courses are encouraged and potentially sponsored through Scott Community College and Blackhawk College.

Work Program:

We have adapted a few different components to our work program which has been designed and developed to assist our residents in closing the “job gaps” that may appear in their work history. We also desire to give opportunities and teach them skills that will broaden their scopes when looking for gainful employment later in their program. The work program also helps assist the ministry in becoming and remaining financially self-sustaining. The first one hundred hours of physical participation in the work program will be considered community service time, in order to give back to the ministry. As part of the work program, time will be spent in a classroom setting where residents will be given tools for the employment process including the following: filling out an application, developing a resume, experiencing mock interviews, learning what effects appearance may have on a job search, and how to be a good steward with income that is earned. As the residents progress through phase one, they could potentially earn a small paycheck from the work program which will be based on percentages of time spent and work accomplished.

Phases of the program

The program is designed on a 4 phase program and also an assessment phase. The assessment phase is to determine at a minimum of 30 days and a maximum of 60 days whether the resident is a “good fit” for our program. During this time, their enrollment within our program can be terminated at any time. There is no maximum to the program; however, there is a 1 year evaluation for any resident who is there longer than 1 year.

The length of the phases coincides with the phase they are in:

Phase 1-1 month

Phase 2-2 months

Phase 3-3 months

Phase 4-4 months

Assessment Period- This is our entry phase where men, women, youth, and children come to us from a variety of situations in life. During this 30-60 day period, we welcome, feed, house, and begin to engage life together with our residents. The residents are introduced to a mentor and an advisor within the first two to three weeks of their stay, and we begin addressing their immediate needs and connecting them with appropriate agencies or individuals. Our goals in assessment are to secure a safe and healthy environment for our residents to have every opportunity in which to thrive and become all that God has for them. We will encourage the building of a solid foundation in Christ, and it’s our desire that each resident attains a mutual, nurturing relationship with their mentor, which will continue beyond the graduation of their program. Upon completion of assessment, residents will have an appropriate photo ID, have medical services, access to transportation (private or public), and begin to acquire tools for living a healthy lifestyle, and with a positive assessment, will be invited to enter phase 1.

Phase One – Each resident will continue to work on building a strong spiritual foundation along with healthy personal relationships, acquire new life skills, and continue to participate in the daily routine and work programs. Phase one consists of a minimum of 30 days.

Phase Two -This will consist of a minimum of 2 months and will be a continuation of phase one, with a few more privileges and responsibilities made available. While participating in the daily program for half a day, each resident will continue to spend half a day in Work Program, developing skills and gaining experience.

Phase Three- Phase three consists of a minimum of 3 months. During this phase residents continue with the work program. However, it is now a combination of classwork, looking for a job, and the work program. The residents spend 1 half day (during the work program hours) in the classroom, 2 half days in the work program itself, and 2 half days looking for work. The resident must show proof (will be discussed by house supervisor) of the jobs and interviews they attend. Just because a job is made available, does not mean it will be approved. A resident can sign up for school courses during phase three.

Phase Four- During this phase residents will continue in the program and attending night classes at the home. However, the resident is also working a job during the day. This phase is a minimum of 4 months. School is also approved for phase four.

Our goals in phases three and four are to continue encouraging a strong spiritual foundation and lay a strong base for a continued walk in emotional healing and personal development while overcoming addictions and unhealthy lifestyles. We’ll engage in a collaborative effort to help attain excellence in employment and aid in preparation to engage life as a valued asset in society. Some residents may be given an opportunity to participate in our internship program if the potential is displayed by a given resident and he/she is nominated and approved by the staff and leadership teams.

Resident Phases

A resident must meet length requirement and also the principle requirement to be moved from phase to phase.

Assessment Phase to Phase 1:

Principle resident must have to be eligible: Willingness

Length in program to be eligible: 1-2 Months

Phase 1 to Phase 2:

Principle resident must have to be eligible: Honesty

Length in program to be eligible: 2-3 Months

Phase 2 to Phase 3:

Principle resident must have to be eligible: Teachable

Length in program to be eligible: 3-4 months

Phase 3 to Phase 4:

Principle resident must have to be eligible: Trustworthy

Length in program to be eligible: 4-6 months

Phase 4 to Graduation:

Principle resident must have to be eligible: Quality

Length in program to be eligible: 7-8 months

Graduation of the Program

All of One Eighty's property must remain at the facility (i.e. towels, bedding, etc.) and personal items will be released when the One Eighty property is returned. Graduating residents are encouraged to continue to visit One Eighty. To graduate the program, you must first be approved by the One Eighty leadership and must complete 100 hours of community service, The turn, and all the required classes.

You will be recognized as a graduate of the program during various church services. Upon graduation you'll be asked to become a part of our Alumni Group that we will honor annually for your continued success.

One Eighty General Information

We cooperate with local probation and parole services.

You will be provided with a bed, bedding, towels, clothing, and personal hygiene items. All other areas and household items are shared. One Eighty has leadership to assist with supervising and implanting of the rules and home upkeep, so that the facility can be a home to those who have nowhere to turn, and we believe this environment will give you a sense of "family". If needed, clothes can be provided by donations.

Our program is intense and life-changing. If you are serious about changing your life, for the glory of God, and are willing to learn to let God work in your life, we can help.

In-Home Services:

There will be an established daily and work program that each resident will participate in, which will include but not be exclusive to the following:

Bible Studies, Group Daily Devotions, Worship Times, Daily Schedules, Anger Management Classes, Boundaries, Computer Skills, Christian Premarital Counseling, Individual Advising, Work Ethics, Relationships, Parenting, Employment Preparation Program (including a connection to job services), Emotional Healing, Budgeting, Finances, Health and Nutrition, Exercises, Hobbies and Sports, Grocery (Shopping) Events, and Social Outings.

Program Guidelines:

1. Absence from One Eighty for 24 hours or more, without notice, will convey that the resident no longer resides at the One Eighty facility. He/She will have 48 hours to pick up all belongings and must contact One Eighty leadership if He/She is still interested in continuing with the program. If a participant leaves prematurely (prior to graduation), He/She may return at the leaderships discretion and approval.
2. Everyone will enter the residential program in the assessment level with an opportunity to move into phase one at the end of 30 days, if the assessment is favorable. From that point, the resident may progress at his/her own pace through Phases 2,3, and 4, once completing the minimum time in each phase. Each person is working an individualized program. Residents should not compare themselves to others or their program; theirs has been designed especially for them. Each resident will be required to follow his/her daily schedule. It will protect them from temptations while they learn to make new choices and achieve lifelong direction.
3. At the end of each phase, each resident will meet with the house supervisor and his/her mentor to discuss setting goals or needs that should be addressed while working through the next phases.
4. During phase one and most of phase two, until residents create a “safe zone” they will not be allowed to leave One Eighty property by themselves. Members will be required to be with a mentor or assigned accountability partner, at all times on outings from One Eighty. No unplanned stops or pre-approved phone calls are allowed.
5. During your participation in Phases 1 and 2 you will be required not to leave the facility overnight. When a safe-zone has been attained during Phase 3, an overnight or weekend pass MAY be given. You may be eligible for a 7 day pass during Phase 4..
6. Upon approval, in Phases 2,3, & 4 residents may be allowed to take bike rides or walks that are pre-approved by leadership.
7. Vehicles are only allowed at One Eighty upon approval. Residents who enter the program and own a vehicle must park it and turn in the keys to the office. Once the resident has completed Phases 1,2, and 3, has a valid driver’s license, proof of current insurance, and a steady income in order to maintain the upkeep, gas, and insurance for that vehicle, he/she may drive it. All vehicles must be titled in the name of the resident only.
8. At entry level, all personal belongings will go through inspection. We will conduct random room, personal, and belonging inspections at our discretion. There will be one to two staff members, along with a leadership team, and a volunteer member present when this happens.
9. All medication, prescription, and over the counter medications including Tylenol, Ibuprofen, etc. are to be counted and documented at the time of ENTRY. They will be made available daily.
10. Each day medications will be dispensed at 6:45 a.m. with Bible study to follow by 7 a.m.
11. All medications will be locked up and dispensed daily. Residents’ weekly amounts will be filled on Mondays. No medications are to be shared.

12. On the intake, all applicants must provide a complete list of all medications and physicians' names. They are required to disclose all medical problems. Staff must be informed of any changes in medical conditions and medications by the physicians. Residents must be willing to sign a Release of Information form and have a mentor accompany them to all doctors' appointments until a *safe-zone* is attained.
13. Bedrooms are off limits during the daytime except from occasional approval from staff when sickness is involved. When residents are too sick to work their program or attend worship, they will be required to spend the day in their room (unless at a doctor's appointment) except for meal times. They are also allowed the same amount of smoke breaks as they would be during the day, however, those smoke breaks cannot be taken during scheduled classroom time.
14. Each day residents will be attending classes that will help them to lay their spiritual foundation. They will attend all classes and outings on time.
15. All homework must be completed on time.
16. We request that you attend all house group meetings. There will be a house meeting held each at various times and a weekly accountability forum on Sundays at 6:30 p.m.
17. Residents must attend church, including Sunday morning celebration and Wednesday "Family Night" at Calvary Church of the Quad Cities.
18. Curfew is 9:00 p.m. with parenting participants being required to have their children in their rooms by 9:00 p.m. all residents must be in their rooms by 10:00 and lights out by 10:30 p.m.
19. There is absolutely no smoking inside. Smoking is allowed in the outside smoking areas, and all cigarette butts shall be put in a can.
20. If a resident enters the program as a smoker, and at any time cannot afford to purchase cigarettes, he/she may have the opportunity to be put in the "Non-Smoking Program", which is defined below.
21. No alcohol, drugs, or drug paraphernalia will be allowed. If a resident is under suspicion of drug use, he/she will be tested. A positive test could result in probation or termination of the program.
22. We'll be conducting random drug and alcohol screenings throughout the year.
23. All residents agree not to participate in the use of, or possession of, any intoxicants, illegal drugs not prescribed to that resident. (See Romans 12:1)
24. We'll be conducting random personal searches when residents return to the house from various outings.
25. Applicants must disclose all current or past legal problems, upcoming court dates, charges, court fines, legal fees, parole rules, and probation rules.
26. Applicants must provide all personal information on the emergency contact form.
27. TV, videos, and movie watching, along with choices in music, will be pre-approved by leadership.
28. No guests of the opposite sex are allowed on the property without prior written consent by the house manager.
29. All visitors must sign in when entering the premises and none are allowed in the sleeping areas.
30. Residents should remember to sign in and out each time they return or leave the home.
31. Free bus passes or tokens will be given to residents when needed in assessment level and phase one. Walking is permitted if accompanied by an approved accountability partner. Mentors cannot take residents to work. Using bus passes to go to old places or accepting rides from old friends will result in revocation of the bus pass.
32. Utilities should not be wasted. Residents should turn off lights when leaving rooms, and they should not leave water running unnecessarily. (See Luke 12:2; Luke 16:12.)
33. If the smoke alarm goes off, residents will vacate the building.
34. Residents should be considerate of others by keeping their shower time short and completing their finishing touches in their room.

35. Residents should clean the shower or toilet after each use to keep bacteria down by spraying it down with the bleach water spray bottle and wiping it off.
36. Residents are required to prepare a grocery list each week. Majority of the foods should be healthy. The grocery list must be budgeted and approved by leadership.
37. All food is stored in the kitchen or pantry.
38. All eating is to be done in the dining room. Drinks are allowed in other areas of the facility, except bedrooms.
39. Residents will clean up after themselves and their children.
40. No dating is allowed for residents while in this program. Residents must focus on the Lord Jesus Christ and falling in love with Him. People of the opposite gender are not the enemy! The intention here is to help residents “guard their heart” as the Bible says, and to focus on Jesus Christ. (See 1 Corinthians 2:9)(If residents come into the program engaged, it will be recommended that the couple participates in pre-marital counseling for an undesignated amount of time.)
41. Growing spiritually, and a relationship to Christ, is a resident’s responsibility. It will only happen if residents apply what they are reading , hearing , and learning.
42. A kind and courteous attitudes are expected at all times. (see 1 Thessalonians 5:15.)
43. No verbal abuse, threats, or violence will be tolerated at One Eighty. (See Proverbs 25:11)
44. Gripping, negative talk, criticism, complaining, fault finding and foul language will not be tolerated. (See Ephesians 4:29)
45. Talking about “old” habits or lifestyles is against God’s Word and is not permitted.
46. Stealing will not be tolerated at One Eighty. Borrowing is also prohibited. Residents must keep all personal belongings in their rooms. Respect for others belongings is required. (See Exodus 20:15; Proverbs 22:7.)
47. Failure to turn in a resident who violates the rules will result in receiving the same punishment. (See 1 Corinthians 14:25; 1 Corinthians 4:2)

Phones:

1. All phone calls are monitored during phase 1. Residents’ phone time will be limited to 15 minutes per week. During phase 2 phone calls will still be monitored, but residents will have an opportunity to earn more phone time (Up to 60 minutes per week in accordance with compliance). All callers must be pre-approved caller list attached to the application. Calls must be logged (number called and the length of the call) on the phone calendar for each call. Business calls and emergency calls do not count toward the minute limit.
2. No personal cell phones are allowed in phases one or two. A cell phone is allowed in phases 3&4 if the resident has the means to pay for it, but no data plans will be allowed. The phones will still be monitored by One Eighty leadership, and residents must adhere to all rules.
3. Residents cannot use other resident’s cell phones at any time.
4. No phone calls are allowed during program time (except on breaks), meal times, or work program, unless it’s an emergency (to be determined by staff)
5. No 411 or information calls may be made from the house phones.
6. A lack of cooperation or violation of these guidelines could result in phone privileges being revoked.

Children:

1. Children are the sole responsibility of the parent unless alternate arrangements have been established with the house manager.
2. No resident is allowed to babysit for another resident or for anyone else on the property unless there is written pre-approval from the leadership team.
3. Residents and their children are to be in the same vicinity at all times.
4. Children are not allowed in the kitchen. (If gated, it should not be removed.) No one should step over it.
5. It is not One Eighty's duty to transport kids to and from church or our facilities. Residents must schedule their own approved transportation of the children.

Chores:

1. Each person will be assigned daily chores which will rotate weekly.
2. An assigned chore list will be displayed for daily chores. Residents should not do chores for another resident unless approved by a house manager.
3. All chores need to be done and will be inspected following completion. Employed residents are required to have chores completed prior to leaving for work each morning.
4. Each participant will be assigned a laundry day. Clothes should be removed promptly when finished in both the washer and dryer.
5. Every day, beds are to be made, dressers straightened, floors are to be free of debris, all clothes put in drawers or hung up, and trash cans emptied.

Financial Information:

1. The One Eighty Program is based on four phases. The assessment time and phase one of the program are completely free, unless residents have income (which is any source of money other than a monetary gift for birthday or Christmas). All income, with the exception of a family member giving a resident up to \$100.00 per week when food stamps are not available, or \$50.00 a week when food stamps are received, is subject to the income guidelines below. We utilize food stamps if the resident is able to get them, and if not, we utilize things such as local food banks for those who don't receive state benefits. When approved, the residential facilities will be participating in the State Food Stamp Program. All rules for those agencies must be followed. Once work is found, residents are required to follow through with a budget plan so that their resources are being used wisely.
2. 25% of all income will be paid to One Eighty for rent with a \$350.00 cap per person per month, 25% for personal spending, 10% to the Church, and 40% savings. (Personal hygiene and other items including laundry supplies are the residents' responsibility once they have income.)
3. All banking account information will be disclosed to One Eighty Leadership. ATM cards, cash, checks, or credit cards will not be used during the resident's stay at the home unless approved by One Eighty leadership.
4. One Eighty leadership will assist the residents in establishing bank accounts at the appropriate time, and those accounts will be supervised for the duration of the program for each resident.
5. All food stamp cards shall be held by the house manager and dispensed on grocery shopping day, once a week, until the State Food Stamp Program is implemented. In phase 3 the residents can keep their food stamp cards themselves while continuing to be accountable by turning in their receipts after each use.
6. Resident's cash will be held by the house manager and dispensed at the needed times. The cash will be tracked by the house manager and documented on the appropriate form with receipts attached.

General:

1. During assessment level, as resident will not be permitted to have visits for 14 days with any family members or acquaintances. After 14 days of compliance, children and spouses may visit during the designated visiting hours. All other visitors once approved, and after assessment level, may visit during the appropriate visiting times.
2. In Phase one, family visitation time will be from 2-6:30 p.m. on Sundays. In Phase 2 the residents may leave the facility on a Sunday afternoon for 3-4 hours for dinner and a healthy pre-approved accountability partner. In phase 3, the resident may leave the property overnight, one night per month and be with a pre-approved accountability for up to 8 hours on Saturday or Sunday. All requests for departures must be turned in for approval at least one week in advance. However, all visits must be approved and are at the leadership's discretion.
3. When given permission to use something once, that doesn't necessarily mean residents can use it at their discretion. Residents should ask first.
4. When staff members are in the office, it is required that they knock and are acknowledged before entering.
5. The house supervisor will pick up the mail and dispense it to the residents.
6. When residents leave or return to the premises, they must sign in and out.
7. No hats are to be worn inside the Church.
8. Burning incense is not permitted
9. Burning candles is not permitted.
10. Upon completion of a resident's stay, he/she will be invited to do an exit interview with a non-biased party to discuss his/her time in the program. This will allow us to remain in contact with the resident and continue to learn where we can make changes and updates as we need to.

Complaints:

If individuals have concerns about the operations of One Eighty, they should talk to the One Eighty house supervisor, leadership team, or the accountability forum. The concerns will be passed onto the appropriate leader/staff. They will be taken under further review. These concerns should not be discussed with other people, either inside or outside the ministry.

Gossip is not acceptable.

These rules and regulations are subject to change at any time without prior notice by the leadership of this program. These rules and regulations may be slightly different for certain individuals for specific reasons. Altering the schedule for one does not necessitate altering for all.

Things to bring:

A Bible, alarm clock, photo ID or Driver's License, birth certificate, social security card, auto insurance card, food stamp card, two bags of personal belongings limited to: 10 outfits, 7 pairs of pajamas, a bathrobe, slippers, 3 pairs of shoes, jacket or coat, undergarments, and a small bag of personal hygiene items, if residents have them, and if they don't, items will be provided.

Note: Residents may be allowed to bring more items after assessment time is completed.

Prohibited items:

Illegal drugs, alcohol, unauthorized medications, unsavory media (books, music, movies, pornography)

Items to be checked in:

Cell phone, ATM/credit cards, cash, checks, tobacco products, personal medications

Apprenticeship Program

One Eighty recognizes it is not our duty to call someone to ministry, but to recognize the calling God may have on their life. If One Eighty staff feels a resident could possess the will and ability to either work within One Eighty or another ministry position outside of One Eighty, they can be accepted into our Apprenticeship Program. In order to be eligible must be in Phase 3 or 4, be nominated by a staff personal, and accept the conditions presented to you.

Quit Smoking Policy

If a resident comes into the One Eighty Program and is currently a smoker, but has no means to pay for their cigarettes, One Eighty will provide for that resident as follows, if they agree to abide by the One Eighty “Quit smoking” strategy:

1st week:

10-20 per day to be dispensed by the House Manager (The number dispensed will depend on the current level of smoking that the resident is at)

2nd week:

5-8 per day handed out by the House Manager

3rd week:

1-3 per day to be handed out by the House Manager

The goal is to assist the resident in quitting smoking. After the 3rd week, if the resident chooses to smoke, the resident will be responsible for purchasing their own cigarettes, provided they are meeting the requirements of the program first. If the resident returns to smoking they will be asked to reimburse One Eighty for the amount spent to provide them with cigarettes. The cost of reimbursement will be \$50.00. There will be NO asking to borrow money or cigarettes from another resident or anyone in the leadership position (including mentors) for the purpose of purchasing or smoking cigarettes.

- Our residents are protected under the Americans with Disabilities Act.
- Contacting your Mentor is your responsibility
- Call to set up all appointments yourself, (doctors’ appointments, dentist appointments, etc.) after contacting your mentor to find out when it will be convenient for him/her to assist you.
- Call one of your mentors to plan rides for other activities at least 24-48 hours in advance.
- Do not ask your mentors to make any purchases for you.
- Do not use your mentor’s phone.

Relationships with the Opposite Sex

The number one reason people relapse or walk away from their faith is due to a relationship with the opposite sex. (1st Thess. 4:3-4)

Whether they fall to the sexual temptation or even just the stress a relationship causes, more than often...if someone takes a step backwards in their sobriety, it usually ties in some way or somehow with a member of the opposite sex.

One thing we all have in common is the desire for relationships. This is a God given desire, and it is completely natural for us to seek those relationships in the opposite sex. This ministry is pro-marriage and pro-single all at the same time.

The goal of this program is not to be a dating service. We believe in letting Christ lead relationships, and build up Proverbs 31 Woman and Job 29 Men, and we vow to seek God on every relationship that he brings to this ministry. We believe God created marriage to be between man and woman (Genesis 2:18). What constitutes Marriage? A marriage is recognized by God when a man and woman resolve with mutual love and respect in their hearts to live together and dedicated themselves as husband and wife, and conform to whatever civil ceremonies are required (Romans 13:1).

We ask that you commit your first year of sobriety (if you are single) to focusing your heart-emotions- and mind on Jesus Christ and your relationship with him. If it's God now...it's God in a year. (1st Corinthians 13:4-7)

Relationship Status:

- 1) Single (1st Corinthians 7:32-34, 1st Corinthians 7:17):
 - a. 1 year of sobriety before seeking a dating relationship. If you meet someone during your 1st year of sobriety, we simply ask that you meet with Church Leadership to set up proper boundaries and to seek direction from the Lord.
 - b. Stay above reproach. Such as, staying away from things that may be perceived as a dating relationship. Ex: Casual Dinner with a member of the opposite sex, etc...
- 2) Currently seeing someone or interested in seeing someone.
 - a. Serious Relationship (1st Corinthians 7:9):
 - i. Meet with Church leadership, to seek God together and set boundaries in your current relationship.
 - b. Not a Serious Relationship (Mathew 18:8):
 - i. We ask that you seek God. First to see if this relationship is a healthy one with healthy boundaries. Our experience is that if it's not, it's best to cut away the things that may be a temptation for us.
- 3) Currently Engaged (1st Corinthians 7:9):
 - a. Seek marriage counseling as soon as possible.

It doesn't stop just at sexual sin we also ask that you guard your heart against emotional attachments to the opposite sex if they aren't from God.

Intake/Registration Information

Residents are first approved by the One Eighty Leadership, and then final approval is made by the intake team.

Admission Criteria

We believe we are all created equal, no matter social status, money, or race. All residents will be treated the same, however, with individual attention and care. Our residents must be at least 18 years of age. They must be teachable, willing to allow Jesus Christ to change their life, and be ready to submit to the authority and the rules placed in front of them.

We reserve the right to have an individual removed from the program for breaking one or a combination of the guidelines. _____(Initials)

Explain why you have applied to One Eighty?

Circle below any feelings that describe your life:

Inferior	Worry	Doubt	Extreme Fear	Guilty	Bitter	Anger
Pride	Inadequate	Hatred	Lost	Insecure	Confused	Good

Application Signature

I have carefully read and understood all of the rules and regulations, and I accept this development method of ministry. I agree to keep all rules and regulations. I understand that any flagrant or repetitive violation will be grounds for my dismissal from One Eighty.

I understand that my admission to One Eighty and my continued residence is dependent upon my openness to what is taught at One Eighty. My willingness to help myself including chores and duties as may be assigned to me is important.

I agree that I will not hold One Eighty liable in any connection therewith for any incident which might occur involving my personal injury or loss or damage to my property during my stay at One Eighty.

I authorize all statements contained in this application to be investigated. I understand that any false or misleading information given in my application or interview may result in my termination from One Eighty.

In the event that I quit or leave One Eighty for unknown reasons, I understand that One Eighty is not responsible to provide a ride to me to any location. I further understand that if I were to leave One Eighty without notice, I must take all my belongings with me, and will have 48 hours to pick up the rest of my belongings under supervision. One Eighty will not be responsible for storage or shipment of any of my personal belongings.

I understand that as a resident, I am advised that leadership reserves the right to have any resident in the program participate in random alcohol or drug testing and/or room searches. I also understand that by signing this One Eighty has the right to promote by my first name and potentially pictures. One Eighty will not make public, private information or last names.

I have read the rules, phases, and the above requirements and agree to comply upon request.

By signing below, you are certifying that the answers and statements within this application are true and accurate to the best of your knowledge, and you give continual permission to be drug or alcohol tested at any given time.

**Resident's Agreement for Disciplinary Action Due to
Infractions of the Guidelines**

One Eighty Residential Program

Any violations of the preceding rules will be subject to discipline, either immediately or following up to three days of prayer by the leadership, depending on the severity of the infraction. Once the leadership has prayed and discussed the appropriate action to be taken, we will meet with the resident and his/her mentor/advisor to discuss the consequences.

In the case of physical contact or verbal abuse toward anyone, or the possession of any alcohol or mind-altering substances, the violation would result in immediate discharge from the program.

I have read all of the rules and guidelines. I understand each of them as well as the above information.
