Dear Lynne,

We make a living by what we get, but we make a life by what we give.
-Winston Churchill

You have done something remarkable. You have extended your generosity to others – even when you knew they would probably never know it. One of the greatest joys in life comes from knowing that you impacted the life of someone else positively. And you have!

Thank you for your gift of \$50.00 on 12/3/2013 designated for the Community Development 2013 Community Support Campaign. This contribution helps to ensure brighter futures for so many. Given the multitude of worthy organizations that could benefit from your generosity, we are grateful that you have chosen to give to the YMCA of Greater Charlotte. We are committed to honoring your investment and living out our mission by providing programs and services to all. Please know that your support is critical in making the vision of the YMCA possible- *To connect and engage people to enhance lives and build community.*

Gratefully,

Genie Weekley

Dear Lynne,

As the YMCA of Greater Charlotte Association celebrates 140 years of serving our community, I write to you today to thank you for believing in our mission and being a part of our Y family. Because of your support we can continue to "put Christian principles into practice through programs that build healthy spirit, mind and body for all."

Your gift of \$100.00 on 7/9/2014 designated for our Community Development 2014 Annual Campaign allows us to keep our commitment to nurture the potential of children, improve the health of our community, and support our neighbors in need. The Y strives to provide "all" the opportunity to thrive. Your gift makes this possible.

Gratefully,
