

## DO YOU SHOP AT KING SOOPERS OR SAFEWAY?

Then, YOU can help the McT PTA make “free” money by using a re-loadable Gift Card.

### **\$1,500 Raised To Date!**

#### **Here’s how it works:**

- Buy a card at the front desk for \$10. It already has \$10 on it, so the net cost is FREE.
- There are two ways to put money onto the card. Both ways allow you to put money on using cash, debit card, or credit card.
  1. When you arrive at Safeway or King Soopers, before you shop, visit the Customer Service Desk. There you can load up to \$500 on the card (likely estimating how much you’ll spend on groceries that day or that month). And then you shop, and at checkout, you pay with your now pre-loaded gift card.
  2. After shopping, before the cashier starts to ring up your groceries, you can ask to load money onto your gift card. Once they do that, they’ll ring up your groceries like usual, and then you can pay with your pre-loaded gift card.
- You can still use your credit card to get “miles” or “points”. When you load money onto the card, use your credit card of choice.
- 5% of every dollar you spend (on groceries and gas) goes to McKinley-Thatcher (MCT) PTA – our students and staff!
- Once the school group spends \$5,000 at each store, the store will send us a check for \$250. Since 2013 we’ve made over \$1,500!! And this is with only a few cards being used.

#### **Tips:**

- Get a card for each family member who shops.
- Make sure you re-load the card with money prior to checking out. If you ask them to add money to the card when paying, they have to get a manager.
- Buy them for relatives who also shop at King Soopers or Safeway and ask them to help support the McKinley-Thatcher PTA. They can do it simply by doing their regular shopping and using their reloadable gift card!
