Electrician & Related Work Experiences

- **Santa Fe Opera**
 - As an electrician apprentice, I assisted with all light hangs, focuses, and strikes, built practicals, and served as deck electrician and follow spot operator for their Summer 2012 season in addition to serving as designer and lighting supervisor for the Opera's Apprentice Scenes.
- **The Ohio State University**
 - As a graduate teaching associate, attended and executed electric work calls and assisted in supervising work crews of undergraduate students from September 2011 to Present.
- **University Theatre**
 - Attended work calls including hang, focus, and strike for University Theatre productions Fall 2008 to Summer 2011.
- **Madison Community Theatre**
 - Worked as an electrician on calls for many local theatre groups, including Children's Theatre of Madison, Madison Theatre Guild, Four Seasons Theatre, and Madison Savoyards from Spring 2009 to Summer 2011.
- **Wisconsin Union Theatre**
 - Worked as a stage hand from November 2008 to August 2011, assisting with show load ins and outs, setting up sound and lighting equipment, designing lighting for variety show productions, and working run crew for various shows.
