

Case Norway

Form for reporting a personal case to the

INTERNATIONAL CRIMINAL COURT

This form can be used by individuals and family members, subjected to violations of severe character, carried forth by the Norwegian authorities, submitting information to the International Criminal Court.

The International Criminal Court can investigate and prosecute alleged crimes of the most severe character, as crimes against humanity, war crimes and genocide, and has been contacted preliminary.

The statements included in this form, are a part of an inquiry, to urge The International Criminal Court to open an investigation of cases of systematic crimes believed to be under their jurisdiction, a claim under Article 15 of The Rome Statute.

The following form is filled by the affected family and is containing sensitive personal and private information.

All information provided in this form and attached to this form is truthful, and the person and/or persons that have filled this form are existing persons.

The filled form can be sent to:

The International Criminal Court
