## Resort Description:

Beaches Turks & Caicos is a multi-faceted fantasy world, where pastel pink bungalows are nestled in tropical gardens resplendent with graceful palms. Here, there are almost enough pools for each day of the week, and the last day is reserved for the largest pool of all, the clear turquoise sea bordered by a 12-mile stretch of beach. Made up of three distinct areas, Beaches Turks & Caicos offers the seaside garden paradise of the Caribbean Village, the sophisticated style of the French Village and the monumental surroundings of the newly opened Italian Village. All uniquely different, the three villages make up Beaches Turks and Caicos.
