APRIL 2015

## AGENDA

### NEW COURSES

## Six incredible bucket list layouts

We reveal 2015's most anticipated designs from Woods, Nicklaus, Doak and Crenshaw.

### Grand Saint-Emilionnais Bordeaux, France

The most exciting new course in Europe is a gentle stroll through the Bordeaux countryside. It sounds rather dull until you discover the stroll is revered architect Tom Doak's first design in Continental Europe and the countryside is awash with huge oaks. It opens this summer.
