It all began with a simple market stall in Dublin back in 2011, where we made a name for ourselves with our unique, “new-school”, take on fish and chips.

We broke down this classic dish into all of its basic ingredients, and built it back up again with big portions of extra love and care to ensure every single part of the dish was of the highest quality, and sourced from the absolute best suppliers we could lay our hands on. Everything is made on-site; from our sauces, all the way across to our own very special seaweed salt.

To this day we only work with 100% sustainable small fisheries, day-boats, and MSC-certified suppliers, ensuring sustainability and responsibility in everything we do. Even the way we serve our food is in recycled, re-usable, wooden packaging, and our take-away cutlery is made of 100% biodegradable corn starch.

Our core ethos is simple; awesome food, served by amazing people, in fantastic locations. It's how it all began, and it's how we will stay.

We hope you love our food just as much as we love making it!

WINES

250ml Glass

ALL SUPPLIED FROM AMAZING LOCAL WINE MERCHANTS

Cloud Factory, Sauvignon Blanc - 7.5

This elegant Marlborough Sauvignon Blanc is alive with aromas of stone-fruit and minerals. The winemakers specialise in beautiful, low volume, boutique wines of incredible quality.

The Tea Leaf, Chenin Blanc - 7.5

Sourced from 70 year old bush vines, found in an old Rooibos tea plantation, this uniquely expressive South African Chenin Blanc has an amazing crushed granite and tealeaf nose, with a broad texture and quiet persistence that just keeps going. An absolutely show stopping wine.

Seriously Cool, Cinsault - 8

Delicious served slightly cool, this often overlooked South African grape variety is rich, vibrantly fruity and uber delicious. Breaking with tradition, this stand out red wine is incredible with our fish.

Borsao Selecccion Rosado - 7

An incredible, full-bodied, Rose. Intense aromas of ripe red fruits, raspberries, strawberries, and hints of sweet lemon oil.

Domenico de Bertiol Prosecco - 8

The original Prosecco used by Harrys in Venice, birthplace of the Bellini. A delicate, light, and creamy prosecco with a wonderfully aromatic finish.

CRAFT BEER

ALL SUPPLIED FROM AWESOME SMALL BREWERIES

Wild Beer Co. Epic Saison - 5

Epic by name, epic by nature. This Farmhouse Ale is a transcontinental fusion of Belgium’s eclectic beer culture and the feisty Sorachi Ace hops of North America, brought to life with some West Country artisanal brewing wizardry.

Wiper And True Pale Ale - 5

Zesty lemon peel and fresh pine cut through sticky, juicy mango and marmalade before a dry, crisp finish in this single-hopped pale ale. Light and zingy, Mosaic showcases the myriad of fruity flavours imparted by its namesake hop. Another great beer from the fantastic Wiper and True in Bristol.

And Union Summer Wheat Beer (500ml) - 6.5

Summer in a bottle, plain and simple. Breathtakingly balanced and beautifully boozy! Liquid velvet, with an incredible orange blossom aroma throughout.

Wild Beer Co. Wild Goose Chase - 5

A true “all-day” wild beer, tart and fruity, but well-hopped and drinkable. The brewers have been chasing this beer since they started, and we love the combination! Generous hops, fruity notes, and a light and moreish bitterness at the end create a real show stopper of a beer.

CRAFT BEER

ALL SUPPLIED FROM AWESOME SMALL BREWERIES

And Union Unfiltered Lager (500ml) - 6.5

An industrial brewery could simply not make a lager like this. Unfiltered, unpasteurized and bursting with flavor, it has phenomenal body and freshness. Hazy to the eye, and full on the palate with a soft, round mouthfeel and a biscuity malt character.

Four Pure Pils - 4.5

Our reimagining of a classic German Pilsner. Generous hopping with Mittelfruh and Saaz gives this beer a delightful floral and spicy aroma. The finish is dry, crisp, and refreshing.
